

INTERIOR UNKNOWN LOCATION UNKNOWN TIME

Silhouetted figure is in front of the camera, interview is taking place.

INTERVIEWER

So what can you tell us about Ash?

INTERVIEWEE

He's an idiot, nothing ever goes to plan and half of what he does he wings.

Interviewee pauses

INTERVIEWEE

Are you sure he won't know who I am?

INTERVIEWER

Yeah you're completely anonymous

INTERVIEWEE

Right, well did you see that guitar video he did?

Footage of the guitar video is shown, INTERVIEWEE talks over it

INTERVIEWEE

What a fucking disaster that was, it's amazing nobody was hurt during that, he's an absolute clown

Guitar video ends and figure is once again seen. Lights go on to reveal it's Fun Ash

FUN ASH

Jesus Christ!

UPTIGHT ASH

(off camera)

Clown am I? I'll show you who's a clown you cheerful cockend.

INTERVIEWER

Hey you can't be here!

UPTIGHT ASH

Fuck off I've got a little shit to deal with, cut that camera.

Fun Ash attempts to flee while UPTIGHT ASH enters the shot. Camera cuts off

INTERIOR LIVING ROOM, DAY

A Sofa is visible and a man is sitting on it looking annoyed.

LAZY ASH

I can't believe you got me to do this again.

UPTIGHT ASH

Well we had to, the first attempt was a disaster

LAZY ASH

No shit Shamrock, your casting couch looking set is right next to a main fucking road.

UPTIGHT ASH

Yeah well hopefully...

LAZY ASH

And you didn't even think that traffic may be an issue when filming at rush hour! You knob.

UPTIGHT ASH

That's irrelevant now, we're here to talk about you.

LAZY ASH

Jesus! Alright, fine. Fire away with the questions.

UPTIGHT ASH

Thank you, So first question being why are you the way you are?

LAZY ASH places his hands to his face and sighs

LAZY ASH

An unmotivated lazy piece of shit? Same spiel as before eh?

UPTIGHT ASH

Well yeah because...

LAZY ASH

And that worked so well before with you flipping your shit?

UPTIGHT ASH

No I just feel that you derailed us last time, and I think you're trying to do it again now.

LAZY ASH
You're just a hyper sensitive
baby that can't accept
criticism.

LAZY ASH goes to stand

LAZY ASH
You know what, fuck this I'm out.
Interview yourself if you're so
fucking clever.

UPTIGHT ASH
Shut up and sit back down!

UPTIGHT ASH enters the shot and begins to approach the
sofa. He sits down next to LAZY ASH

LAZY ASH
Wow wow, watch the personal space
buddy

UPTIGHT ASH
You know what your problem is?
You project all your issues onto
others, I can't take Criticism?
Well you can't take
responsibility boyo.

LAZY ASH
Hey fuck you man, I can't help it
if everything you try is a shit
show.

LAZY ASH looks uncomfortable and moves away from UPTIGHT
ASH.

UPTIGHT ASH
Shit show? Well at least I try,
rather than just sitting there
and mocking others. Given the
circumstances this is the best I
could do. You're not happy with
it, fine. I'm not doing it for
you

FUN ASH appears from the right of LAZY ASH.

FUN ASH
Hey guys do you really want to
ruin this again by arguing? Can't
we all just get along, I'm so
happy to just be helping.

LAZY ASH

UPTIGHT ASH
(Together)

Fuck off!

FUN ASH looks upset and slinks away

LAZY ASH
Get out of here you cheerful
prick, nobody likes you.

UPTIGHT ASH
Yeah clear off you twat.

Silence falls for a few seconds

UPTIGHT ASH
Well I'm glad we agree on
something.

LAZY ASH
Yeah that guy is far too cheerful
for my liking

UPTIGHT ASH
It's creepy isn't it?

LAZY ASH
Yeah

UPTIGHT ASH
Anyway we should probably finish
this.

LAZY ASH
Suppose you're right, is that
camera still going?

UPTIGHT ASH
Shit it is, I'll turn it off.

UPTIGHT ASH gets up and walk to the camera

LAZY ASH
Fancy a pint?

UPTIGHT ASH
Sure

FUN ASH
(Off screen)
I'd love one guys

LAZY ASH
Not you knobhead
