5. Response to Questioning	/20	/20	12/20	/20
6. Quality of Presentation	/10	/10	8/10	/10
TOTAL	/100	/100	78/100	/100

(Feedback/Comments on next page)

Feedback/Comments:

Good structure and presented well.

Use the first couple of slides to introduce the project, discuss background and set the tone. Would be good if 5 or 6 peer-reviewed articles in the related project topics were analysed and critically evaluated.

Think about plan B & C, if things don't go your way.

Response to questioning was OK but need to work on.

Include all steps on Gantt chart.
