White lady 6-hour challenge

Several tales out of the U.K. also suggest that the White Lady may be a victim of murder or suicide who died before she could tell anyone the location of some hidden treasure. In modern woman in white stories, there is always a tragic love story. The woman in white is rarely someone's sister, daughter, or mother. Oh, she maybe be any or all of those things but those aren't the things that her legend is dealing with. In this story the woman in white...your woman in white...haunts a man through a portrait seen only in his dreams.
