Address at arrival at the broad hall of the
Two Goddesses of What is Right,

has done, and seeing the faces of the gods.
Words spoken by N:
Hail great god, lord of the place of the Two
Goddesses of What is Right.
I have come before you so that you may
bring me to see your perfection.
I know you, I know your name,
I know the name of these 42 gods who are
with you in this broad court of the Two
Goddesses of What is Right,
who live on the henchmen of evil, and eat of
their blood
on that day of calculating characters in the
presence of Wennefer.
