Threats

I have a job that has nothing to do with the nursing field , meaning that I will not be able to gain any kind of experience if this field .

Summarise

- I think I can get this job since I have all the skills they need . The only skill I lack is the fact that I don't have experience. But as they say in their description, it's not necessary as they say it's more about being "warm".

Conclusion

- This job is also committed to help you to progress and grow . I think it's the best place to get this job as a beginner in this industry.
