Join the UK's leading accident repair group where excellence, innovation, and integrity drive everything we do.

At Steer Automotive Group, every role plays a part in delivering exceptional service to our customers. We are looking for a reliable and professional **Driver** to join our team, ensuring vehicles are collected, delivered, and handled with the highest levels of care.

If you have a strong customer focus, take pride in representing a professional business, and understand the importance of safety and efficiency, this could be the role for you.

What You'll Be Doing

- Collecting and delivering customer vehicles in a safe, timely, and professional manner
- Carrying out basic vehicle checks before and after journeys
- Providing excellent customer service, ensuring a positive and professional experience
- Assisting with vehicle movements on site to support workflow and efficiency
- Maintaining accurate records of collections and deliveries

What We're Looking For

- A full UK driving licence with a clean driving record
- Age 21 or over due to insurance requirements
- Previous driving or customer service experience is desirable
- A professional and courteous manner with strong communication skills
- Reliability, punctuality, and attention to detail
- A commitment to acting with integrity and representing the business to the highest standard

What We Offer

- A supportive team culture that values respect and professionalism
- Opportunities to grow within a fast-expanding business
- Training and development to enhance your skills
- Being part of a company built on **excellence, innovation, and integrity**

Apply Now

If you're ready to join a business where every role contributes to delivering the highest standard of service, apply today and start your journey with Steer Automotive Group.

Hiring Manager Steer Automotive Group, London

Dear Hiring Manager,

I wanted to inform you that I am extremely interested in the opportunity to be hired as a Driver by the Steer Automotive Group as outlined in the job posting. I have included my resume so you may review it in detail when considering my application.

I was particularly attracted to the idea of being part of the United Kingdom's top accident repair organisation because Steer's values of excellence, innovation and integrity are all values that I also use in my personal and professional life.

has primarily involved interacting with customers daily, I believe that many of the skills I developed through this experience will allow me to perform exceptionally well in the high standards expected for this driving position. These include but are not limited to:

Professionalism & Integrity: At Mercedes, I demonstrated an ability to represent the brand to the highest degree possible by offering outstanding customer service in a very professional manner, which is an essential quality of a Steer Automotive driver.

Reliability & Attention to Detail: maintained consistent products and demonstrated the attention to detail necessary to maintain accurate records of collections and deliveries and to check the basic safety of vehicles.

Efficiency & Care: I am physically fit and experienced in fast paced environments and therefore I feel comfortable in completing tasks efficiently and with care skills that I believe would translate to collecting and delivering customer vehicles safely and professionally.

In addition to these skills, I also possess a valid full UK driving license, a spotless driving record, and I am over 21 years old both of which meet Steer's insurance requirements. I am proud to say that I have always taken great care in operating vehicles at Mercedes, and I am committed to presenting myself as a professional representative of Steer Automotive Group.

Thank you for your time and consideration. I look forward to discussing how my commitment to achieving the highest standards of performance and dedication to serving customers can benefit the operational efficiency of the Steer Automotive Group team.

Faithfully

Professional Summary

Highly reliable and experienced professional driver with 3 years of total driving experience, including 1 year dedicated to the secure and professional movement of high-value customer vehicles. Proven dedication to punctuality, detailed vehicle checks, and delivering exceptional customer service. Holds a full, clean UK driving licence and is seeking to contribute to the efficiency and high standards of vehicle logistics at Steer Automotive Group.

Professional Experience

Driver Specialist

[Company Name where you have driven Mercedes/High-End Cars] | London [Date Started] – [Date Ended] (e.g., Nov 2024 – Present)

- Conducted the professional movement, pickup/delivery, and secure storage of high-value cars for customers, providing the utmost care and security for these assets (including brands like Mercedes-Benz).
- Completed rigorous Pre-Journey Checks, Post-Journey Checks, and Basic Vehicle Checks at the start and end of each trip to ensure the safe transport of the vehicle(s) and to accurately report any potential concerns.
- Provided exceptional customer service during vehicle handovers, professionally representing the Company and ensuring an overall positive customer experience.
- Maintained accurate daily records of vehicle movements and delivery schedules to help facilitate the smooth operation of the workflow and ensure the most efficient use of resources.
- Ensured all movements of vehicles were conducted in strict accordance with road safety laws and regulations, as well as the internal policies of the Company.
