

Tasg Gyfeiriol 3: Deall yr egwyddorion addysgegol

Gellir ymgymryd â'r dasg hon yn unigol. Pwrpas y dasg hon yw sicrhau eich bod yn gyfarwydd â deuddeg egwyddor addysgegol Donaldson. Mae'r egwyddorion hyn yn sail i ffocws ac asesiad y modwl hwn.

1. Darllenwch/adolygwch Bennod 5 adroddiad Donaldson (2015), 'Dyfodol Llwyddiannus'. Mae ar gael yma:

<https://gweddi.gov.wales/docs/dcells/publications/150225-successful-futures-cy.pdf>

<https://gweddi.gov.wales/docs/dcells/publications/150225-successful-futures-en.pdf>

Mae rhestr un dudalen o'r egwyddorion hyn ar gael yn llawlyfr modwl ECAD6008/C.

2. Gwnewch nodyn o'r cyfeiriadau a ddefnyddiwyd i gefnogi rhai o'r egwyddorion addysgegol.
3. Chwiliwch am enghreifftiau ar-lein o'r modd y gallai ysgolion fod yn defnyddio'r egwyddorion addysgegol eisoes. Fe welwch gyfeiriad hefyd at y modd y gallai ysgolion fod yn defnyddio'r rhain i gefnogi datblygiad trwy chwilio am ddogfennau sy'n cyfeirio at yr egwyddorion addysgegol ar y wefan hon:

Directed Task 3: Understanding the pedagogical principles.

This task can be undertaken individually. The purpose of this task is to ensure you are familiar with Donaldson's twelve pedagogical principles. These principles underpin the focus and assessment for this module.

1. Read/revise Chapter 5 of Donaldson's (2015) report 'Successful Futures'. This is available here:

<https://gweddi.gov.wales/docs/dcells/publications/150225-successful-futures-en.pdf>

<https://gweddi.gov.wales/docs/dcells/publications/150225-successful-futures-cy.pdf>

A one page list of these principles is available in the ECAD6008/C module handbook.

2. Make note of references that have been used to support some of the pedagogical principles.
3. Look for examples online for how schools may already be using the pedagogical principles. You will also find reference to how schools may be using these to support development by searching for documents that refer to the pedagogical principles at this website:

https://www.estyn.gov.wales/thematic-reports/improving-teaching?_ga=2.7387250.1793874648.1565940640-761872565.1523896998
