

STUDENT FEEDBACK FORM

Rutendo Gore

This section details the *extent* to which the assessment criteria are demonstrated by you, which in turn determines your mark. The marks available for each category of skill are shown. Lecturers will use the space provided to comment on the achievement of the task(s), including those areas in which you have performed well and areas that would benefit from development/improvement.

Generic Assessment Criteria	Marks available	Marks awarded
1. Engagement with Literature Skills		
Presentation of a report appraising the use of application software in the development of EUIS A simplistic overview of the software environment has been provided. You have considered the advantages and disadvantages of each environment but why not use some of the work you presented in assignment 1 (your excel prototype)	20	12
2. Knowledge and Understanding Skills		
Demonstrate knowledge of the design principles used, when building a system using MS-Office and VBA that will perform the procedures to analyse data sets Your overall design principles are very poor - you have not used or considered enhancing your prototype by using VBA. You have not demonstrated an understanding of the design principles when presenting an appointment system.	20	3
3. Cognitive and Intellectual Skills		
Good interpretation of EUD requirements Very poor interpretation of EU requirement - A very simple database schema has been presented. You demonstrate a poor understanding of the Access database software and have not explored additional features and functionality.	30	4

4. Practical Application Skills		
Facilities should be incorporated into the system that will automate the user activities. The success of the system build will be measured against the user requirements. No suitable additional functionality used to enhance the system. No queries - no real appointment system poor use of RDBMS tools.	20	4
5. Transferable Skills for Life and Professional Practice		
All work suitable presented and referenced A simplistic report with basic layout	10	4

Assessment Mark (Assessment marks are subject to ratification at the Exam Board. These comments and marks are to give feedback on module work and are for guidance only until they are confirmed.)	Late Submission Penalties (tick if appropriate)		27 %
	Up to 1 week late (40% Max)		
	Over 1 week late (0%)
