

Radicalisation.

What is Radicalisation? It is a process.

The young are persuaded to adopt extreme ideological views.

It has become much easier for people to become exposed to extreme ideological propaganda.

Sometimes called
'Brainwashing', 'training',
or 'indoctrination'.

Signs of Radicalisation.

- ❖ Isolating themselves.
- ❖ Talking as if from a speech.
- ❖ Unwillingness or inability to discuss their views.
- ❖ A sudden disrespectful attitude towards others.
- ❖ Increased levels of anger.
- ❖ Increased secretiveness, especially around internet use.

Women and Radicalisation.

The largest group of women vulnerable to extremism are the poor, the under-educated and the socially excluded.

www.indianexpress (2017)

According to The New Indian Express, “A 2014 report estimated that 18% of all European ISIS members were female and the total number is now believed to be more than 550”. Author withheld

(06/08/17)

www.scmp.com

“Women with strong political grievances and with close ties to radicalised men”.

Badran (2006)

What can we do to protect our children and young people?

www.communitycare.co.uk (2016)

- ❖ Listen carefully to their fears and worries.
- ❖ Offer reassurance and comfort.
- ❖ Avoid complicated and worrying explanations that could be frightening and confusing.
- ❖ Help them find advice to understand distressing events that have happened around the world.
- ❖ Children can always contact Childline free and confidentially on the phone and online.

- ❖ Follow normal safeguarding procedures.
- ❖ PSE lessons in schools.
- ❖ Offer a safe space to talk openly about their feelings.
- ❖ Schools I.T. policies.
- ❖ Staff Training.
- ❖ Health, local authority and police services.
