The Event

Introduction

EurOasis is a 2-day European electronic/pop music festival taking place for the first time in Tatton Park in August 2021. The event showcases European pop music, bringing together people from different backgrounds to celebrate contemporary European culture. The site will be designed as different parts of Europe so guests can take a trip from Spain to Sweden, from Italy to the Baltics; there will be street food vendors, live performers (musicians, actors, dancers) and activities/workshops specific to each country/region. The capacity of the event is 3000 people.

Key Stakeholders

- festival organisers
- venue
- performers
- local council
- contractors
- vendors
- festival visitors

The venue

Tatton Park is located in Knutsford, Cheshire, with easy access to/from Chester, Manchester and Liverpool via the M6 and M56, which are both 10 minutes away. Tatton Park's event land 'Showsite' is a greenfield event venue which has the capacity to host events on over 50 acres of land, as well as extra acres (up to 1000) if additional land is needed. It is surrounded by multiple hard roads, meaning there is access available into and throughout the site (Tatton Park, 2021). Tatton Hall is separated from the Showsite: festival guests do not have the access to the manor and the gardens. A camping site is available for 2000 people.

Transport Options

As previously mentioned, Tatton Park is conveniently situated nearby some major city centres:

- 30 minutes from Manchester
- 40 minutes from Liverpool
- 35 minutes from Chester
- 70 minutes from Birmingham
- 75 minutes from Leeds

Tatton Park is approximately a 10 minute drive from Knutsford. Although people are encouraged to arrive by public transport, arriving by car is still possible. Parking will be available on site for £12 a day or £20 for the duration of the festival. The car park is highlighted on the site map.

Knutsford is also accessible by train. The main entrance to the park is approximately half a mile from Knutsford Railway Station. There will be buses going from the station to the festival location for £5. Additionally, there will be a set amount of special coaches departing/returning to Manchester, Liverpool and Leeds on both days of the festival. All transport tickets are being sold as a bundle with the festival ticket up to 1 day prior to the festival. Festival goers are encouraged to use the 'Bike & Go' scheme - bikes can be picked up and unlocked via an app from Knutsford Railway Station and dropped off at the entrance of the festival (the ride can only be finished once the proof of correct parking has been shown by taking a photo).

Licensing

Premises License

In order for our event to be able to have entertainment, sell and supply alcohol, as well as provide late night refreshments, we need to apply for a license. According to The Licensing Act (UK Government, 2003) the licensable activities that are relevant to our event include:

- the sale by retail of alcohol
- the provision of regulated entertainment
- the provision of late night refreshment
- a performance of a play
- a performance of live music
- any playing of recorded music
- facilities for making music, dancing and entertainment of a similar description

There are two different types of licenses - TEN (Temporary Event's Notice) and Premises License. TEN applies to all events that are under 500 capacity, therefore I need to apply for the Premises License. Tatton Park is the administrative jurisdiction of Cheshire East Council. Application for the Premises License can be found in Appendix 1.

Registering an event with Safety Advisory Group

Under Cheshire East Council (2021), all event organisers are required to register their event with the ESAG using the online Event Information Form. The ESAG has been established to promote and support the safe management of outdoor events within the Cheshire East Area. Form is attached in Appendix 2.

Concept

Brexit has been a hot topic for years and many music events that connect the UK with Europe (for example, Eurovision) do not have the best reputation. However, there are approximately 5 million Europeans living in the UK at the moment (Lindop, 2021) and our festival aims to bring these different cultures together, celebrating the long history and friendship that UK and Europe have always shared. Being from Estonia myself and having lived in the UK for almost 6 years, I have noticed that even though British people enjoy European cuisine, culture, holidays, there are not many events where it can be celebrated and experienced in an authentic way.

Festival goers will be encouraged to dress in the spirit of the theme of the festival.

Set design inspiration

The festival site will be split into different areas - for example, Mediterranean, Scandinavia, Central Europe, with the main stage - Europa - hosting some of the biggest acts: DJs, bands, solo acts, in European (and global) music scene over two days. There will be smaller stages and tents hosting live acts, dance, and theatre performances, as well as workshops and activities dotted around the festival site. I have created a Pinterest (2021) board to showcase the inspiration for the set.

Potential line up for Europa main stage

Artist	Nationality
Martin Garrix	Dutch
Måneskin	Italian
Stromae	Belgium
Zara Larsson	Swedish
Sigrid	Norwegian
Daði Freyr	Icelandic
Tiësto	Dutch
Kygo	Norwegian

Food court

The vision is for the food court to look luxurious whilst being as authentic as possible, unlike regular food courts at outdoor festivals. As the name indicates, we want to create an oasis where every corner would be a magical experience and a unique opportunity to learn and experience a piece of someone else's culture. I have created a Pinterest (2021) board to showcase the inspiration for the food court.
