What is a Sand Writing Tray?

A sand writing tray is simply a tray with a thin layer of sand. A simple yet effective sensory way to assist learners with their formation of letters, words, numbers and shapes.

Sand Writing Tray

Sensory way of forming letters and numbers

(Gift of Curiosity, 2020)

Easily wiped so no worry about making mistakes reducing stress

Improves fine motor skills

Improves letter formation

Aid visual memory

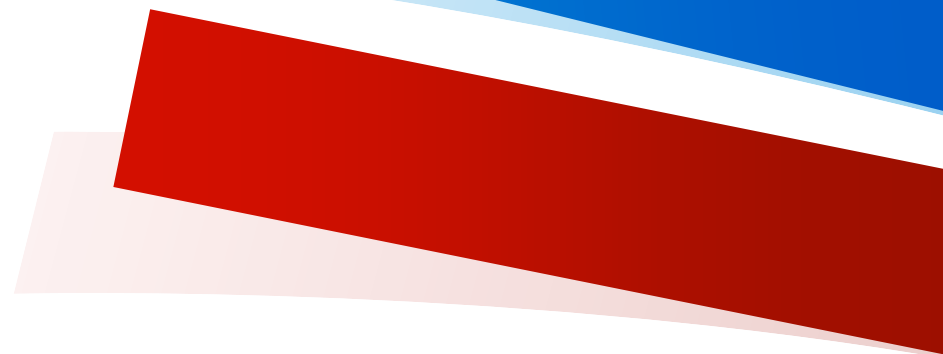

The tray can be adapted to suit the learner. Therefore if an individual does not like the feel of sand alternatives such as shaving foam, salt, rice, sugar, flour etc can be used.
