

GAME DEVELOPMENT AND ANALYZING MY SKILLS

CERTHE SFWP T1GW1

WHAT IS A GAME DEVELOPER AND THE CARRIER?

Video game developers work alone or in teams to write and program games for a variety of video game consoles.

Game developers has lot's of functions like programming, creating art or sound, designing the game and creating a story.

Tyler (2021) was a useful source of information.

WHICH SKILLS I NEED TO IMPROVE?

- Patience
- Project Management
- Animation
- Story Writing
- Group Working
- Leadership

SWOT ANALYSIS

Strenghts

- Processes, system and it skills
- Art and music skills
- Easily make a network
- Communication

Weaknesses

- Reliability of data, plan and project
- Financials
- Limited time management
- New programming languages

Opportunities

- Industry and life style trends
- I can do my job faster with a person that who knows new programming languages
- I can communicate with people on social media for new ideas

Threats

- Innovation in technologies, services and ideas
- Loss of resources
- Obstacles to be faced
- Trends may effect negatively
- Competitors brand strenght

PERSONAL DEVELOPMENT PLAN

	Short-Term Frames	Mid-Term Frames	Long-Term Frames
Section 1- My Goals <i>What are my overall goals that I want to accomplish in this time period?</i>	Create a story and characters for game.	Making sound and designs.	After I create the story, music and characaters I want to start coding.
Section 2- Skills and Knowledge to be Learned <i>What specifically do I need to learn?</i>	Character design and writing skills.	Learning use sound programmes.	Improve my coding language skills.
Section 3- Next Steps <i>How am I going to acquire the skills and knowledge?</i>	I need to develop my drawing skills or I can get some help from my artist friends.	I want to meet people that who work about making music and I want to listen their opinions.	I need to develop my coding skills maybe get some help for faster coding.
Section 4- VWhat is my time schedule? <i>When I will start?</i> <i>When do I expect to finish?</i>	I would like to start 01.10.2021 I expect to finish 03.04.2022	I would like to start 10.05.2022 I expect to finish 15.11.2022	I would like to start The year 2023 and I expect to finish 2025.

(PRZYBYLSKI, 2012)*

WHAT MAKES MY EXPERIENCE UNIQUE?

- Lots of people say they start this job because they love playing games from childhood or they start as a hobby but in my way I would like to combine with a good vision, storytelling and nice music and sounds with all of myself.

THANK YOU FOR LISTENING !
