--WE BACK--

For this Original Song Contest we just want to hear your best song! Any genre goes whether it's an instrumental or a track with vocals, SKIO wants to hear your best original work.

Submit your tracks by May 23rd for the opportunity to be heard by our very own A&R Team.

First place prize includes a 1 on 1 mentor call with a SKIO A&R,. You also have the chance to win Analog Lab V 8 by Arturia, DS-10 Drum Shaper by XLN Audio, a 1-year SKIO + Subscription, and more!

Can't wait to hear all of your submissions - Best of Luck SKIO fam!

🎵 **【Shout out to our sponsor】** 🎵

Arturia was born to allow everyone to make music. We create instruments and effects that encourage musical discovery, reward curiosity, and savor the artistic process. We're an international team of passionate people, on a mission to navigate uncharted sonic territory in the name of creative empowerment. From the raw analog power of Brute synthesizers to our faithful virtual instrument emulations of V Collection, we provide musicians with an inspiring sonic experience that's instantly accessible, exploratory, and thrilling.

XLN Audio makes the award-winning virtual instruments Addictive Drums and Addictive Keys, each with a growing library of expansion products covering every musical need from the smoothest jazz to the hardest metal. XLN Audio's products are the go-to tools for both today's biggest producers and home users just starting out.
