friendly and
professional tone

04 Practice together

01 Deall y Manyleb Asesu

Understand your Assessment criteria

Wrth gynllunio eich cyflwyniad fel tîm - cadwch mewn côf:

- Amcanion Dysgu
Learning Outcomes
- Arweiniad i gwblhau'r tasg
Guidance for completing the task
- **Assessment Criteria**
Asesu

02 Creuwch eich stori Create your storyline

Consider quality in both content and presentation design

Tell your Design Thinking + Contemporary Challenges process (each stage, your findings, your conclusions, your learning, future steps)

Check Moodle for additional recommendations (like [here](#) and [here](#))

Remember references

03 Goslef a chyflymder eich llais wrth gyflwyno Your presentation tone and pace

You can be informal and friendly but stay in a professional tone

Your team delivery is part of the tone (*think about your attire - matching with your team?*)

Imagine you are sharing your story with strangers

04 Ymarfer gyda'ch gilydd

Practice together

Create your speech and personalised notes
(remember the individual Supporting Document)

Practice as a team *(you can even book a
classroom to practice with screens and clicks)*

Support each other *(remember the “Yes
And...” Rule here too!)*

Keep track of your individual and team time

+ Hefyd ... Also...

Be ready with plenty of time (*arrive early on May 10th -T&L 14- to load your materials and set up your display of your Prototype if needed*)

Be respectful to all teams, pay attention when they present, ask questions, and give insightful feedback when we get to Q&A

Enjoy the experience! You got this!
