Speakers include

Gertrud Pfister (*University of Copenhagen*)

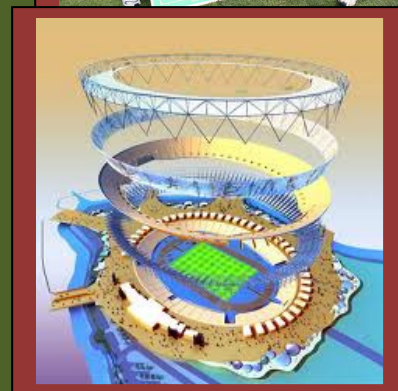

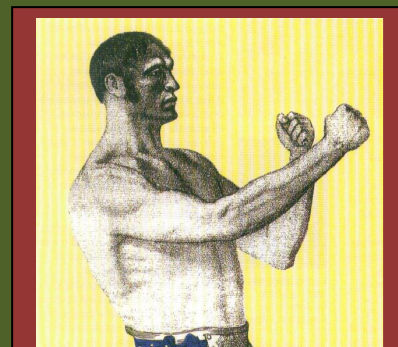

Martin Polley (*University of Southampton*)

Ian Henry (*Loughborough University*)

Robyn Jones (*University of Wales Institute, Cardiff*)

Chris Cushion (*Loughborough University*)

Peter Taylor (*Sheffield Hallam University*)

Although currently attracting scholars working in coaching, sports development, philosophy and sports history, the conference organisers are keen to receive submissions from researchers in any relevant discipline, especially those that transcend artificial boundaries or take a critical approach to sport and coaching practices. While seminar strands addressing coaching ethics, international perspectives on community sport, and the acquisition and sharing of sporting knowledge, have already been confirmed we welcome further proposals for twenty minute papers on any topic related to the past, present or future of sports and/or coaching. Suggestions for three-paper themed panels will be considered and postgraduates are invited to submit abstracts for either an oral presentation or a poster where a prize will be awarded to the best submission.

Abstracts should be emailed to :-

Dave Day at D.J.Day@mmu.ac.uk by Friday 3rd December.
