The language sandwich

- ...practitioners use the 'sandwich' method in settings and schools at the beginning of learners' linguistic journey, particularly in the foundation phase. That is, they give an instruction in Welsh, then in English, then repeat it in Welsh once again. They reduce the use of English as soon as possible, doing so in a very short period of time. Overall, learners are immersed beneficially in the 'target language', namely Welsh.

Welsh Language Competency Framework for Teachers Portfolio

Student number: _____

	Type of evidence	Reasons for submitting the evidence
SPEAKING		
LISTENING		
READING		
WRITING		
Teaching and Learning		

Programme (tick the relevant box):

☐ Primary PGCE
 ☐ Secondary PGCE
 ☐ BA Education

Advice whilst planning your portfolio

- **RELEVANT** evidence- the evidence submitted must be relevant to the level descriptions.
- **ENOUGH** evidence of the 4 skills and your ability in regard to the teaching and learning, but don't overload it. You shouldn't submit more than 5 resources for any individual skill. Think about WHY you have included each piece.
- Listening – if you submit listening tasks as evidence, you must submit the audio file along with your answers to the questions, or the evidence will not prove your listening ability.
- Writing – make sure you have sufficient evidence of your written work.
- Teaching and Learning: At the highest levels, you must show 'a range of progressive language teaching and learning strategies' – choose your evidence carefully.
- If you submit evidence which is relevant to more than one skill, please note this in the table above. You will only need to upload the file to the PLP once.
- Showcase yourself at your best in the portfolio – choose your evidence wisely!

Submission date:
15.04.2024

- You must submit this form listing all the evidence you are submit in your portfolio.
- Submit on your PLP (Professional Learning Passport) .
- You will need to include a short explanation justifying why the evidence is relevant for the skill.
