

Year 1 – Tracy Thompson

Friday Session – Traditional Media & Techniques, Module No:
M4X02139

Formative Assessment Group Crits (Informal)

Friday 10th & 17th of November 2017 (Weeks 7 & 8 of the Module Handbook)

For your formative assessment, please make sure you bring all work done for the entire Media and Techniques Module. This will include:

Digital work - - so that I can see the work you've been doing
Prints - - so that I can see them
Postcard Project - - Handmade artbook/s, inspirational diary, sketchbooks, any other experiments with wax and collage, pencil crayon workshop outcomes and experimental pencil crayon drawings, homemade grounds and pastel experiments and 25 pastel icons executed on different surfaces, watercolour experiments, your theme and why you chose it. You should also bring in research for your theme, compositional ideas for your postcards and any concepts you've developed so far and at least one visual to show how you intend your postcards to look visually.

- You will be in small crit groups of 5 or 6 students,
- You will have approximately 7 minutes to present your work and about 3 minutes feedback to allow time for the group to comment on your work. Total time of 10 minutes
- This must be done clearly and well timed, practice and rehearse it at home.
- The presentation should be informal but you need to show an interest and enthusiasm for your work. This is part of the presentation mark in the (No 5 in the Common Assessment and Marking Criteria).
- Be prepared to give constructive critical feedback to the other members of your group after they have given their presentation. This is an interactive session to encourage you to all work together, collaborate and help each other.

These two weeks give you time to catch up with your work and continue with your project and experimentation in your own time to show personal learning and development and professional practice as indicated in criteria 6 & 7 of the Common Assessment and Marking Criteria (See the back of your postcard brief – also on Moodle).

**MAKE SURE YOU COME IN FOR YOUR SESSION – VERY IMPORTANT.
ALSO MAKE SURE YOU ARE HERE EARLY FOR YOUR GROUP SLOT**
