Filtering the Library Search

Use the options on the left to refine and filter your results by:

- Full text
- Peer-reviewed
- Resource type
- Date
- Subject

Alternatively use the filters under the search box

The screenshot displays the UWTSD Library Search interface. At the top, a search bar contains the query 'semiotics AND photography'. Below the search bar, there are filters for 'All items', 'that contain my query words', and 'anywhere in the record'. A sign-in prompt is visible: 'Sign in to get complete results and to request items'. On the left side, there is a 'Tweak my results' section with options to 'Expand My Results', 'Sort by Relevance', and 'Availability' (Full Text Online, Peer-reviewed Journals, Open Access, Held by library). Below this is a 'Resource Type' section with counts for Articles (612), Book Chapters (86), Books (68), Reviews (38), Magazine Articles (31), and a 'Show More' link. The main results area shows three items: 1. 'Visual art and social structure: the social semiotics of relational art' by Riley, Howard (2013), available online. 2. 'Senses & sensibility in Lisbon : advertising, design, fashion, marketing, photography and visual culture in the right place : /proceedings of the UNIDCOM/IADE's 6th international conference' by Eduardo Corte-Real, Carlos Duarte, Fernando Carvalho Rodrigues (2012), available at Y Fforwm Main Collection (745.2 SEN). 3. 'Visual culture' by Richard Howells, Joaquim Negreiros (2nd ed., 2012; Polity Press), available at Carmarthen Campus Library Main Collection (302.23 HOW). A chat icon is visible in the bottom right corner.

ABSTRACT

This collection examines how the networked image establishes new social practices for the user and presents new challenges for cultural practitioners engaged in making, curating, teaching, exhibiting, archiving and preserving born-digital objects.

View E-Book established through photography over the previous two centuries, has and is being transformed by a hybrid of algorithms, computing, programmed capture and digital platforms. The image under these new conditions is filtered, fluid, fleeting, permeable, mobile and distributed and is changing our ways of seeing. The chapters in this volume
