

SOFT EXOSKELETON ROBOTS AND DIGITAL HEALTH CARE WORKSHOP

23 June 2025 10am to 3.30pm - Room 001

**IQ Building, UWTSD, King's Road,
Swansea. SA1 8EW**

To bring together experts from robotics and engineering, healthcare and clinical practice, academia, and industry to initiate a multidisciplinary dialogue aimed at co-defining user needs, design priorities, and real-world applications of a soft exoskeleton robot for rehabilitation.

Join us in a dynamic, multidisciplinary workshop to help shape the future of rehabilitation through the co-design of a soft exoskeleton robot — where innovation meets real-world clinical impact. Expand your knowledge, enhance your skills, and unlock new opportunities.

Workshop Highlights:

Multidisciplinary Collaboration

Connect with professionals from robotics, engineering, healthcare, clinical practice, academia, and industry.

Invited Talks

Insightful presentations by multidisciplinary experts from academia and industry.
