Lwfans Myfyrwyr Anabl (DSA) trwy Gyllid Myfyrwyr

Mae DSA yn cwmpasu costau sy'n gysylltiedig ag astudiaethau a allai fod gennych oherwydd anabledd, cyflwr iechyd corfforol neu feddyliol hirdymor.

Nid thelir cyllid uniongyrchol i chi, ond yn hytrach cewch lwfans i ariannu unrhyw gymorth ac offer arbenigol y gallai fod ei angen arnoch i sicrhau bod eich astudiaethau yn hygyrch.

Gall hyn gynnwys:

- Gliniadur gyda meddalwedd cynorthwyl
- Offer arbenigol e.e. gweithfan ergonomig
- Cymorth 1:1 e.e. tiwtor sgiliau astudio, mentor, cyfieithydd BSL.
- Cymorth i gostau teithio sy'n gysylltiedig ag anabledd

I wneud cais, mae angen i chi lenwi ffurflen gais, darparu tystiolaeth o'ch anabledd ac yna cael asesiad anghenion – bydd eich cynghorydd anabledd yn eich cefnogi drwy'r broses hon.

Disabled Students' Allowance (DSA) via Student Finance

DSA covers study-related costs you may have because of a disability, long-term physical or mental health condition.

It is not direct funding paid to you but instead is an allowance which funds any specialist support and equipment you might need to ensure your studies are accessible.

This may include:

- A laptop assistive software
- Specialist equipment e.g. ergonomic workstation
- 1:1 support e.g. study skills tutor, mentor, BSL interpreter.
- Support for disability-related travel costs

To apply you need to complete an application form, provide evidence of your disability and then have a needs assessment – your disability adviser will support you through this process.
