Sam J Green is an independent artist from the uk, taking a wide range of influence from the likes of Meduza, Shift Key, Jax Jones and Becky Hill. Through dance energy, souring melodies and emotive and genuinely raw music Sam J Green has made a name for himself, making him impossible to ignore. The high tempo feel good dance tracks have led him to receive support from the likes of Bbc radio, Manuel Hanley, YLY, Arion Haze, Shanesa and Bella Hutton to name a few.

Constant dedication to making and releasing music has seen Sam J Green grow a loyal fan base, receiving over 100 thousand views in the past 6 months. Since as his previous 2 releases were picked up by over 600 independent playlists worldwide.

The new Song will be released on Friday the 11th of February.
