

Name: Timothy Gabadan

Student id: 2208508

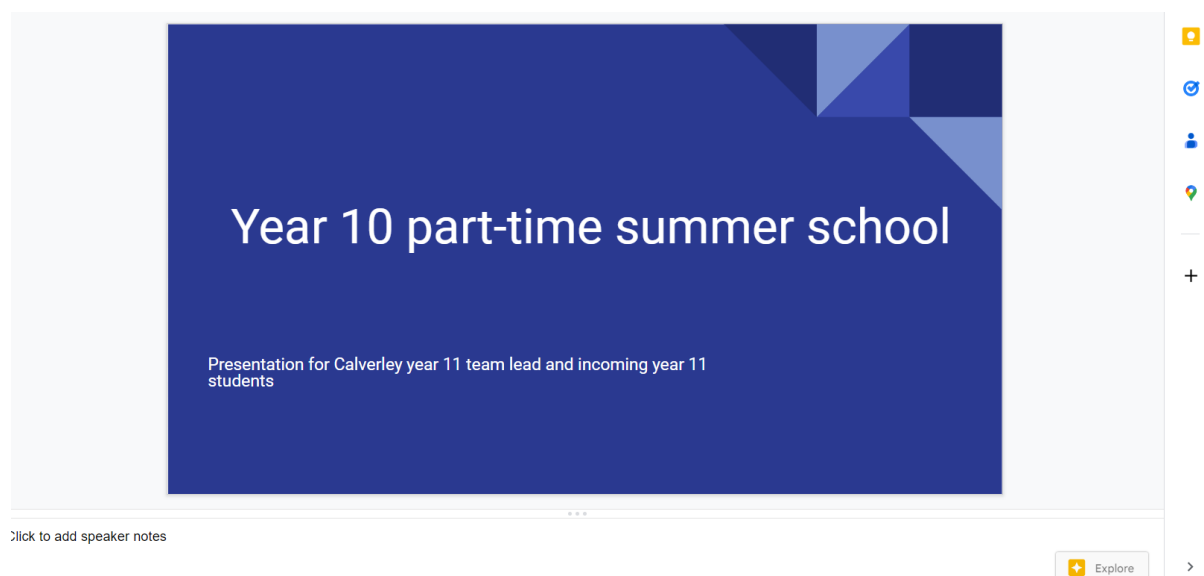

Course name : Structure an argument in a presentation

Aim: to be able to create and structure a presentation using google slides.

Benefits

- ❖ focused study sessions
- ❖ Practiced past exams
- ❖ Meditation
- ❖ Support groups with fellow students, teachers and life mentors
- ❖ Finding the study technique that works for you.

This is the 3rd slide added, this slide has a list and special effects added to it.

This is the first slide. I opened slides in google drive, selected a new presentation, added the title and sub- title. I then chose a theme, adjusted my text then added a new slide.

Cakes and Pies and Puddings and Everything else

Help us raise funds for our Summer School and keep our futures bright

Come and join us for our day of Fun, Food and Everything else.

WHEN?

Saturday 10th August

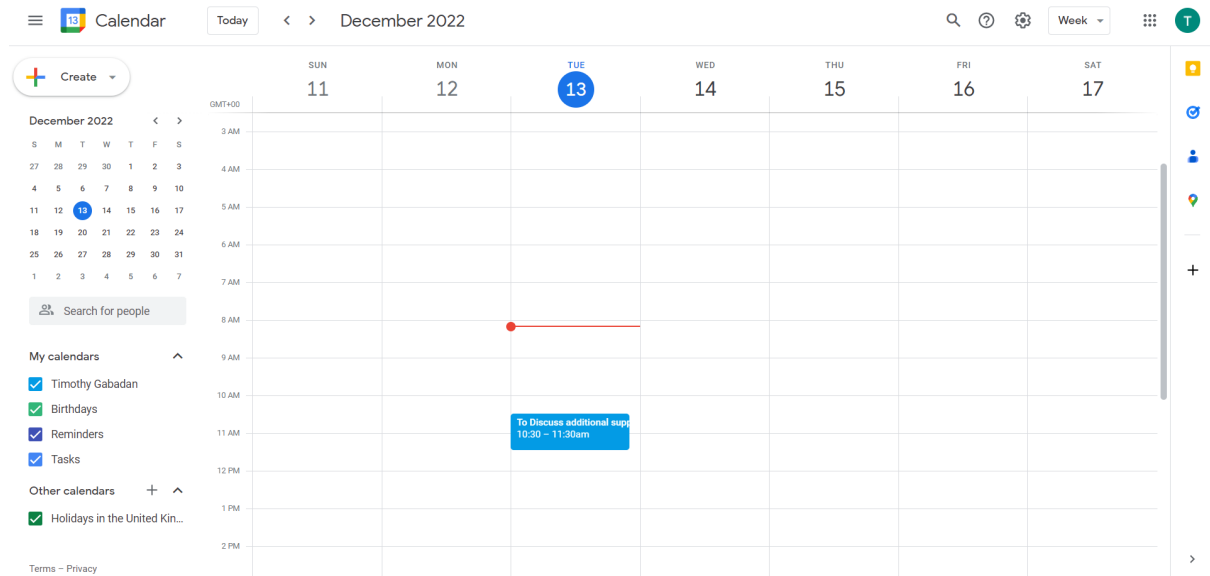

Where?

Calverley School main car park

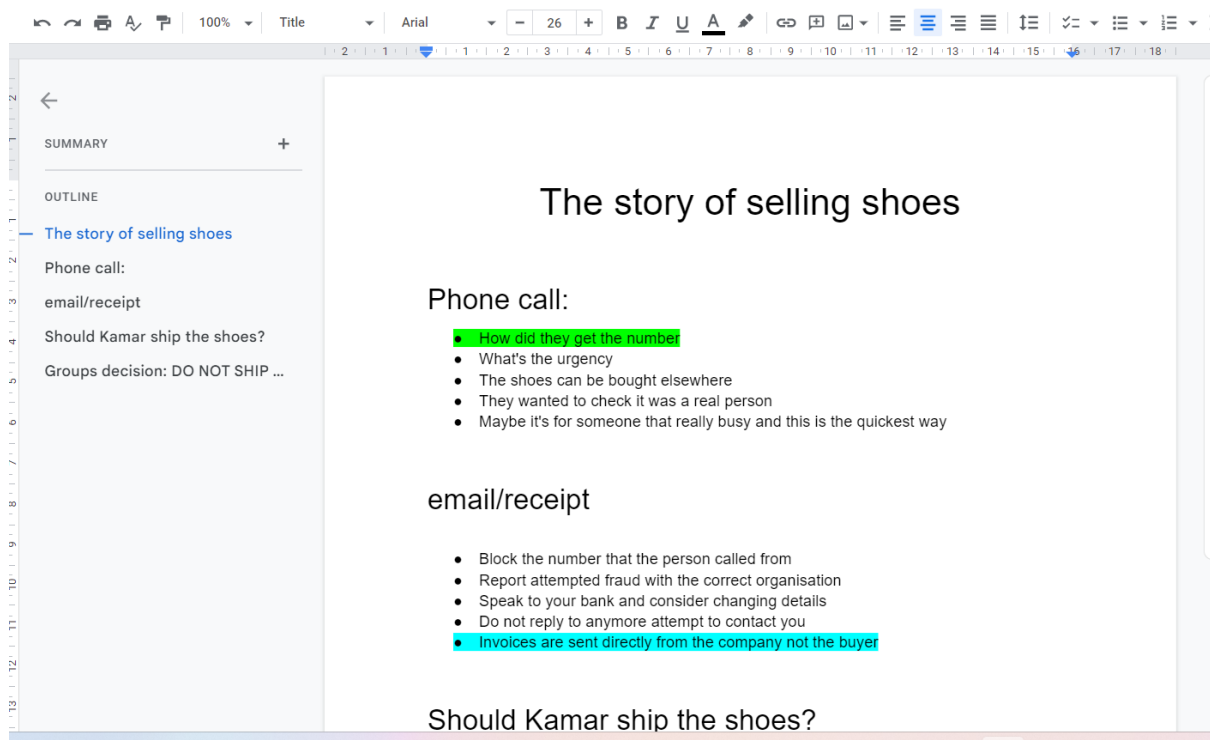

The fun begins at 11am

This task was to create a promotional flyer promoting the event from the previous task.

I completed the task of creating a meeting using google meet. Connect and collaborate from anywhere with digital tools

Avoiding online scams. In this lesson I created a document using google docs, added a title then a heading then bullet points and repeated without the title.
