Profiad/ Experience	
Teimladau/ Feelings <i>"What are your feelings regarding the experience?"</i>	- I feel like it went well but didn't go as planned. - Overall, I'm happy with how the lesson went. - Feeling positive but I know there is room for improvement.
Cofio a Deall/ Remember and Understand <i>"Can you list the aspects of the learning experience that went well?"</i> <i>"What were the elements of the learning experience that were disappointing?"</i>	- I feel the delivery of the main task was clear. - Demonstration of task in my introduction. - My use of welsh and my welsh language. - The children's engagement in the activity. - Children working in pairs to complete task. - Although my resources were well planned out, I feel that I over complicated the task by providing too many resources without giving clear instructions on what to do with the resources. - Asking the children to do too much from the beginning, overloading them with too many language patterns. Needed to be introduced one by one.
Gwerthuso a dadansoddi/ Evaluate and analyse <i>"What will you keep the same to ensure effective teaching and learning in the future?"</i> <i>"What was the cause of the most important disappointing element?"</i>	- My use of welsh throughout the lesson. - Children working together in pairs was effective. - Over complicated the task – needed to breakdown the task by introducing one language pattern at a time. Too much information was given to the children.
Casgliadau a chamau gweithredu/ Conclusions and actions <i>"What are your possible solutions to the disappointing issues identified?"</i> <i>"What will you do next?"</i>	- Ensure that my instructions are clear and that I deliver my introduction concisely. - Ensure that the information that I am delivering to the children is delivered in a sequential and timely manner. - Ensuring the children are given time to absorb a piece of information taught before introducing further information. Target - I will ensure that I plan my tasks to ensure I consider all of the above.
