

WRONG TOOL

FOR THIS JOB

A man in a suit is shown from the chest up, looking down with a frustrated expression. He has band-aids on both hands. He is holding a brush and attempting to clean a large pile of wood shavings on a workbench. The background is a yellowish-tan color with faint, illegible text and diagrams, suggesting a technical or industrial setting.

SEPARATE SCREWS NUTS BOLTS... SAFE LY

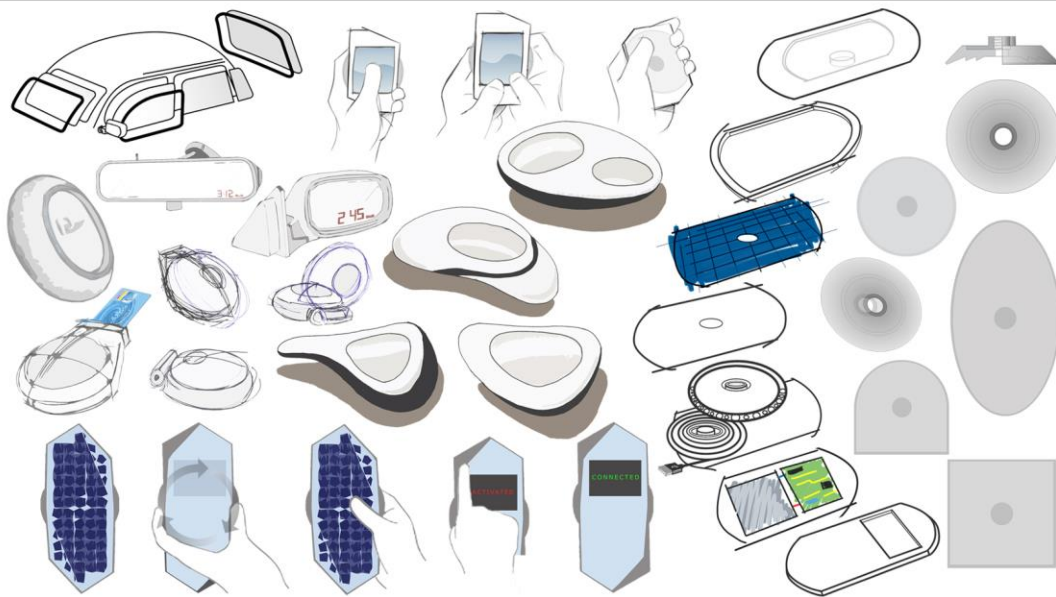

A blue and white mini-hoover is shown in the process of cleaning a large pile of wood shavings on a workbench. The hoover is positioned diagonally, with its nozzle directed towards the shavings. The background is a plain, light-colored wall.

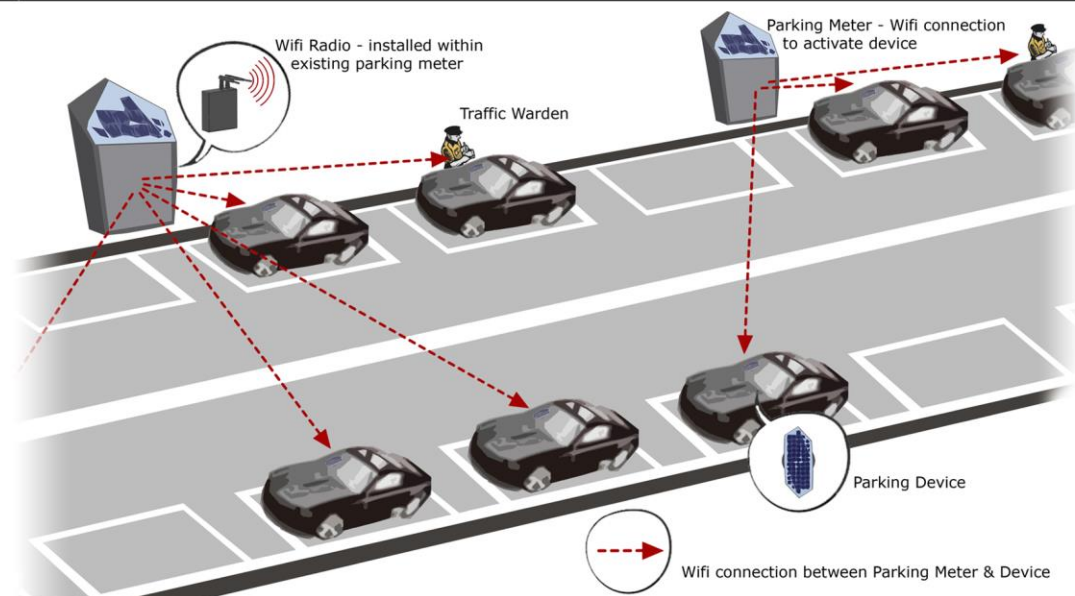

NOW with a MAGNETIC BASKET

Base Back

Material: ABS (white)
Measurement: 180 x 82 x 18mm
Cost: £0.95

Screen

Measurement: 57 x 45 x 2mm
Cost: £2.17

Lithium Ion Battery

Measurement: 24 x 34 x 5.5mm
Cost: £0.50

Sim Card

Cost: £0.12

Sim Card Compartment

Measurement: 15.7 x 16.4 x 1.8mm
Cost: £0.00062

Printed Circuit Board (incl. Wifi)

Measurement: 90 x 78 x 2mm
Cost: £0.31

Rotation Mount

Material: ABS (black)
Measurement: 90 (Diameter) x 2mm
Cost: £0.59

Solar Panel

Material: Monocrystalline Cell
Measurement: 176 x 78 x 2mm
Cost Per Product: £0.50

Suction Cup

Material: Translucent Silicone
Measurement: 158 x 94 x 21mm
Cost Per Product: £0.01

Screw/s
Quantity: 11 (per product)
Cost: £0.11

Other Configurations (buttons)

Material: ABS (black)
Measurement: 45 x 15 x 2mm
Cost: £0.37

Power Button

Material: ABS (black)
Measurement: 66 x 30 x 2mm
Cost: £0.42

Torsion Spring

Material: Music Wire
Cost Per Product: £0.01

Retractable Cable Mount

Material: ABS (black)
Measurement: 40 (Diameter) x 5mm
Cost: £0.45

USB (head)

Cost Per Product: £1.12

Cable (black)

Length: 1.5 metres
Cost: £0.62

Base Front

Material: ABS (white)
Measurement: 180 x 82 x 18mm
Cost: £0.95

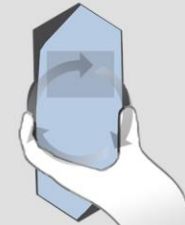

Frame

Material: ABS (white)
Measurement: 180 x 82 x 2mm
Cost: £1.16

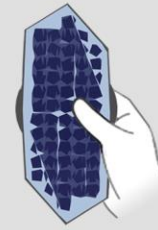

ACTIVATION GUIDE

Solar Panel Charged Sim Card - contract parking

Press Suction Cup against windscreen rotate mount and seal device to screen

Turn on device and connect with nearby Parking Meter

Confirm connection & your on your way

PARTS ANNOTATED

Suction Cup to maintain position on windscreen

QR code to confirm registered driver & confirmation of payment

Solar Panel to maintain charge to keep device active

On/Off Button

Other configuration
-Scroll up
-Scroll down
-Activate
-Deactivate

USB plugs into USB port or into cigarette lighter converter for charging on the go, cable held on retractable cord within device

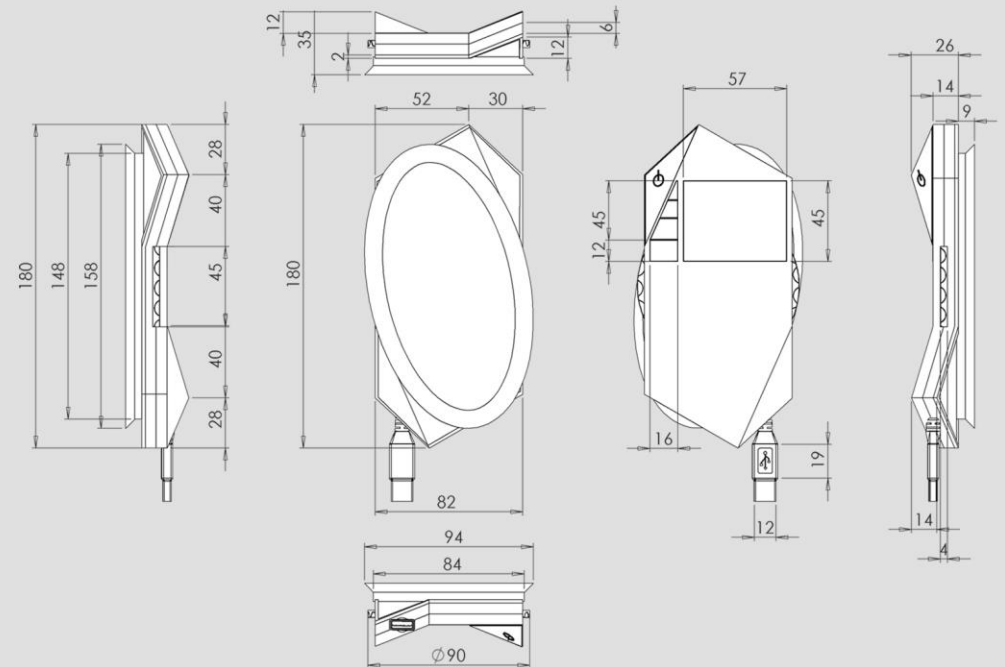

Wifi signal strength, connection with Parking Meter
