Currently study and work together so the modules will help me to fulfill my dream to get the job and knowledge what I will learn will develop my skills

To find out my ability to achieve used the swot technics ,to find out my own .

Swot analysis

- **Strengths**
- **Weakness**
- **Opportunities**
- **Threats**

The swot technic can help u to identify your own strength's, weakness, opportunities threats
This is my own outcome to help me to improve and to develop

Strengths	Weakness	Opportunities	threats
I am good and quick learner and listener. I found things easily adaptable , lot of previous experience and knowledge in same industry, will help me to motivate Punctuality, teamwork Planning all this is my key things that now I can utilise better way	Competition from others, hesitate to ask for help, lack delegation ability. Sometimes want too alone everything. Lack of new knowledge Effective communication.	Working with team, develop and understand teamwork Using the right communication tool Plan and organise. Praetorius goals and making action plan for success New job roles and promotions will 4 open when I finish study	Hesitation, always think for others first. The competition level at new place . Work pressure and perform under pressure

The swot annalysis help to develop my weakness and threats
what I didn't knew before I utilies with my work I now freely
communicate with my colleagues and delegate jobs and
complete the task to achieve my goal

improvement

{creating my own personal development plan to achieve my dream job}

For executive head chef

A personal development plan is an action plan designed to improve knowledge and abilities. These are, typically developed for career planning, performance management or general self-improvement purposes. In some cases, goals and objectives are planned using a formal analysis technique such

pdp plan will enable me to identify my goals and I will prioritise my long term and short time goals to achieve my dream jobs

Executive head chef .

- **Deciding on goals**
 - **I made questionnaire for myself**
 - **What areas do I need to improve**
- **What is my long-time goal what skills would I need to develop to achieve those goals.**

I considered some ideas to get me on the path.

1. Talk with my senior level management.
Click to add text
2. Read some career development books.
3. Set realistic priorities- small goals for next three months ,this year, within 2 years.
4. Some help or discussions with my lecturers.
