(BMSW4001)

LECTURER NAME: SAHOO-LAN YUEN

University UWTSD London Campus

I'M PREGNANT!

- I REMEMBER EVEN NOW, IT WAS A COLD WINDY DAY OF FEBRUARY WHEN I WASN'T FEELING VERY WELL.. I WENT TO THE DOCTOR FOR A CHECK AND I FOUND OUT THAT THE CAUSE OF MY ILLNESS WAS THAT I WAS ACCTUALLY ON THE WAY OF HAVING A BABY. IT WAS A HUGE SURPRISE SO I STARTED CRYING OF HAPPINESS, BECAUSE, FOR LONG TIME I WANTED TO HAVE A BABY WITH THE MAN I LOVE SO MUCH.

THE NEW THAT SURPRISED EVERYONE!

- Even through that, we were far away from each other, I was so excited so I wanted to share the new with him first, so, I called him.
- I didn't even know how to start, because I was a bit worried of the way he will react, but he was really happy and excited of hearing this. It was the best moment that made us to see each other again.
- Our families were surprised and happy to hear this as well.

THE FINAL MOMENT...

- It was an early morning, 5 o'clock on 27 September 2017 when my angel was fighting to come out on the real world and bright my life .
- After 16 hours of labor, I could physically hug my angel.

HOW FAST THE TIME GOES..

1 YEAR OLD

2 YEARS OLD

3 YEARS OLD

ALMOST 4..

My girl is the most important person in my life and she is the realisation I'm most proud of. I love her with my whole heart!
