***THIS FORM IS TO BE AMENDED AND ADAPTED AS NECESSARY**

Dear Participant:

My name is Ryan Durston and I am studying in the School of Business UWTSD.

I would like to invite you to participate in my research project. This project will and aims to 'Identify barriers that can prevent female participation in key stage 3 at Morryston comprehensive school'.

*Attached to this letter is a short questionnaire developed by myself to record which will assess information on how girls feel towards sport and taking part in PE lesson to identify to see what they enjoy. I believe your opinions will be extremely helpful to me.

Through your participation in the questionnaire and/or interviews, I hope to ascertain Information how girls enjoy PE lesson

All questionnaires will be kept strictly confidential to the researchers involved and at **NO** time will individual questionnaires be released to the general public. This gives you a chance to express your views on your programme a confidential and anonymous forum and still be able to make a difference. Your participation in this study is completely voluntary so you can withdraw from the questionnaire at any stage.

Our questionnaire should take about 10-15 minutes to complete, but there is no time constraint. There are also no right or wrong answers. Attached to this letter along with the questionnaire is a consent form approved with care as they are the suitable questions for the girls to answer. As this is a new project, your feedback is also important to us and we would be much obliged if you could also complete the feedback sheet along with the questionnaire. We understand that your time is at a premium but your opinions are very valuable to us.

After careful and precise analysis of the data obtained from this questionnaire, I will be happy to provide you with a copy of the findings at your request. The results of this questionnaire will hopefully enhance my understanding of Identify barriers that can prevent female participation in key stage 3 at Morriston comprehensive school and will be stored on my personal laptop. The results of the research will be fed back to Morriston comprehensive PE teachers, Andrew Thomas Mark Napieralla.

We thank you in advance for your time and participation. If any questions do arise, feel free to contact me at your convenience.
