Comments:

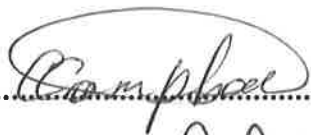

The best presentation seen today.
A lot of work and effort ^{thought} put into this project. Live demonstration was a plus
a pity ~~one of the~~ the key logger did not work though.

Presentation skill is ~~very good~~ Excellent, you
can really sell yourself and should be in
a job soon.

Creating your own network wireless & not using
~~Excellent work~~. the university one to create
additional traffic was very good thinking.

Excellent work !!!
