

My Notes (left hand side of the page)

The only book used in this project was the Times Atlas of the World (Second Edition - 2012)

- Trade routes and prominence of Trans-Atlantic trade, decrease of Suez bound trade due to Singaporean, Malaysian and Indonesian Independence.
 - ↳ Malaysia (1963)
 - ↳ Singapore (1965) — From Malaysia
 - ↳ Indonesia (1945)
- Re-emergence ^{or} ~~from~~ South African trade and Cape Horns prominence.
- ~~New~~ New York + Philadelphia shipping to the U.K, Portugal and France.
- Middle Eastern oil exports to the West + places like Australia.
- U.K. trade to South America, Iberia / Morocco and North West Africa and North America shows continuation of the Triangular Trade.
- No large shipping lanes to or from the USSR.
- Emergence of Japanese industrial might, Hong Kong used as a backdoor for Chinese trade from the West.
- Names of places
