

Create a chart in a Word Document

1- First of all in Word, click "Insert", and pick the "Chart" icon.

2- Then click "Chart", and pick the chart you want.

3- When the chart opens, click on the desired chart design and select it.

4- The chart we choose is "Bar". You can choose another one.

	Series 1	Series 2	Series 3
Category 1	4.3	2.4	2
Category 2	2.5	4.4	2
Category 3	3.5	1.8	3

5- You can design chart sizes through Excel in the bar below your chart.

6- You can choose different colors and designs for your chart.
