Exam format

The exam consists of:

- **55 questions** (multiple choice, drag-and-drop, parsing, short answer, some sentence translations)

plus

- **a c. 100 words** translation from Latin into English

Exam format

- Questions increase in difficulty over the test:
 - Q1-32 range between 0.5 and 1.5 marks
 - Q33-46 are 2 mark questions
 - Q47-55 are 3 and 4 mark questions
- Aim to move rapidly through the first 25 questions
- Make sure to set aside sufficient time to cover the high-mark questions toward the end!
- Avoid betting the store on the translation alone: the questions make up almost 75% of the total mark, the translation 25%.

Preparation tips

- As in our previous time tests, the texts covered in our weekly translations exercises underpin many questions
- It is a good idea to have a cleanly parsed version of these available for quick double-checking
 - ...but look out for minute changes

Practical info I

- The exam opens at 9 am and closes at midnight on Friday 10th January
- The time allowed is two hours (or two and a half, if you have “extra time”)
- As usual, you must submit your answers before the end of that time
- The exam is worth 50% of your module total

Practical info II

- You should receive feedback and your result by the middle of next week
- Teaching on Intensive Latin II starts on the 3rd of February...
- ...but the module is already available on Moodle
- Please do fill out the poll on best times for Skype seminars!
