HYGIENE STATEMENT

Please speak to a staff member if you have any dietary requirements or allergies.

Cleanliness expectations at hotels have been tailored to meet the hygiene regulations that apply to lodging facilities in the United Kingdom

ALLERGENS STATEMENT

Different types of food from around the world can be found on our menu. The law mandates the labelling of foods containing common allergies like fish, eggs, milk, almonds, and peanuts. Due to the presence of this ingredient in certain of our dishes, it is important to determine whether or not you have an allergy to the foods we provide before placing an order.

Legal Requirements

All local and national rules and laws need to be ensured. This menu will be available from 10th February to 20th February only. A £20 non-refundable deposit is required to confirm your booking.
