Presentation Style	/10	/10	/10	7 /10
Supporting Materials	/10	/10	/10	7 /10
TOTAL	/100	/100	/100	70/100

Comments:

Good content on the slides. Good structure throughout the presentation with some suitable descriptions of Euc and DB/Excel development. Some of the images on the slides were small and you could have explained your testing in more detail. Choice of research methodology could have been explained in more detail. Summarised the Acus and Excel development well.

Signed:  (Supervisor)
