Content

- Introduction
- Restaurant Group Organisations
- Understanding of Talent Management
- Different types of talent acquisition
- Short term of talent acquisition
- Long term of talent acquisition
- Different incentive (monetary methods)
- Different incentive (non-monetary methods)

Introduction

South Beach Restaurant & Bar has arrived. Available for all-day drinking and dining, with an excitingly broad menu of decadent brunches, nutritious salads, local seafood, and prime meats.

Enjoy drinks on a sun-drenched balcony or nibble on light nibbles by the pool. You're also invited to bury yourself away in a cosy nook with a flat white and a cookie to catch up on emails.

Restaurant Group Organizations

The Hotel is delighted to welcome visitors to experience one of the most beautiful new decor and five-star service within UK.

The hotel, located on Bournemouth's Westcliff, has 54 freshly restored guestrooms and suites, an amazing restaurant, bar, and patio, as well as calm garden spaces, a pool, and beach access.

Understanding of Talent management

The process of attracting and recruiting outstanding people includes planning, sourcing, analysing, hiring, and onboarding talented persons into appropriate roles within the firm.

It covers all types of employee recruiting, including full-time, part-time, and contract positions.

Different types of talent acquisition

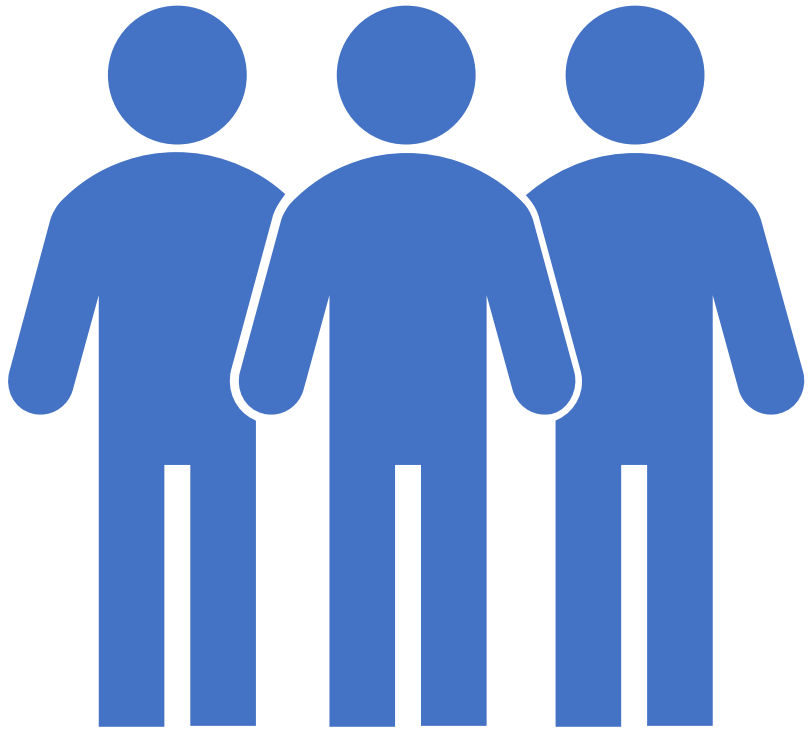

To support a sound people management strategy, an effective talent management system must have the following four pillars:

Role management

Competencies

Goal monitoring and alignment

Employee engagement tool

Short term talent acquisition

- HR manager meets distinguished individuals to discuss career ambitions and future of business.
- HR managers locate bright individuals on LinkedIn and move into full-fledged recruitment mode, contacting them to apply for a vacant position.
- He is only given one lead's phone number and is instructed not to contact during work hours.

Long term talent acquisition

Use online job portals for a scalable recruitment process

Encourage employee referrals to get potential job applicants

Different incentive (monetary methods)

- Increase in Pay or a Raise
- Piece-Rate Pay
- Cash Rewards
- Gift Cards
- Profit Sharing
- Retention Bonus

Different incentive (non- monetary methods)

- Time to work on their own projects
- Flexible working
- Public recognition
- Additional time off
- Experiential rewards
- Time for volunteering
- One-on-ones
- Ask your people

Conclusion

Acquisition is a critical strategic choice for any company since it allows the acquirer to make decisions without seeking approval from the firm's shareholders. The
