

How do I...?

Guide for Android phones and tablets

Record a video and save to OneDrive

The easiest way to submit a video to your tutor is through OneDrive. This guide shows you how to record a video using your android phone or tablet and upload it to OneDrive.

1

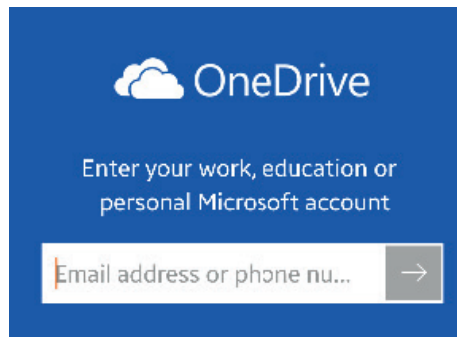

Setting up OneDrive

Go to the Android **Play Store** on your android phone or tablet

Search for and install **Microsoft OneDrive**

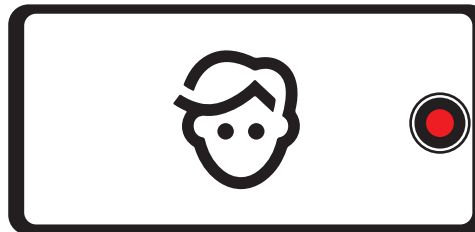

Open the app and Log in using your UWTSD details

2

Recording your video

Open your **Camera** app

Record your video

Don't forget to film in landscape and not portrait

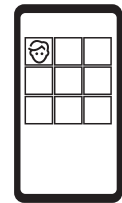

3

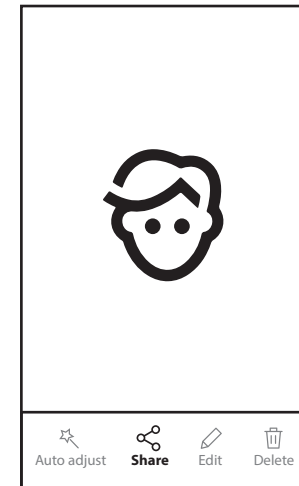

Uploading your video to OneDrive

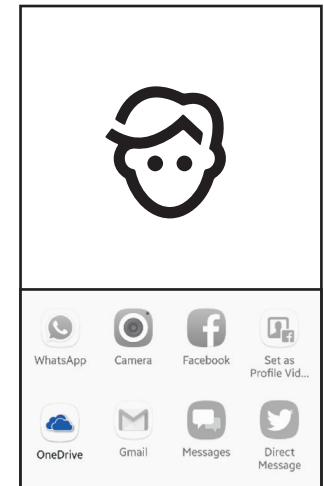

When you've finished recording, open your **Gallery** app

Find and select your video

Choose Share

Select Onedrive

For guidance on how to share the file from your OneDrive please see our guide "[Share my files using OneDrive](#)"
