Access code guide

In this guide you will discover how to redeem an access code both as a new user and an existing one.

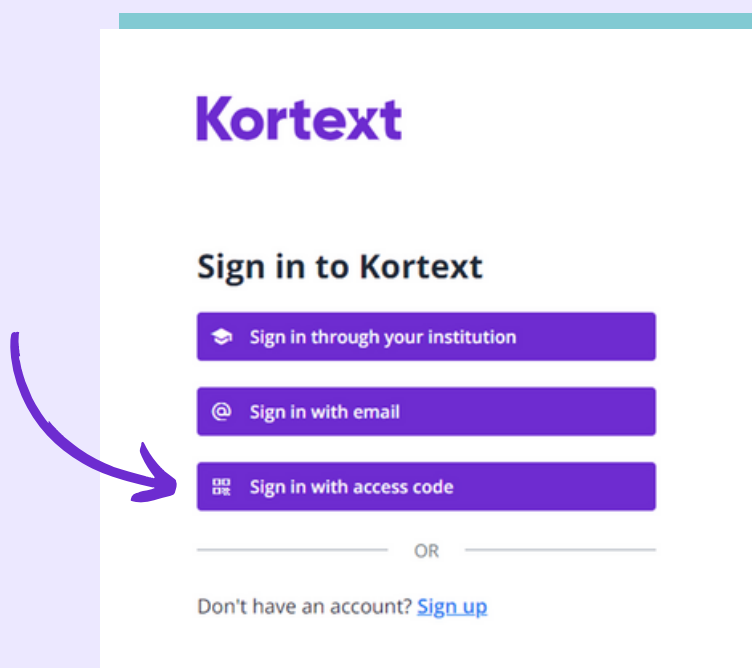

If you have any queries, please contact us via support@kortext.com

New users

1. Go to app.kortext.com/login and select 'Sign up'.

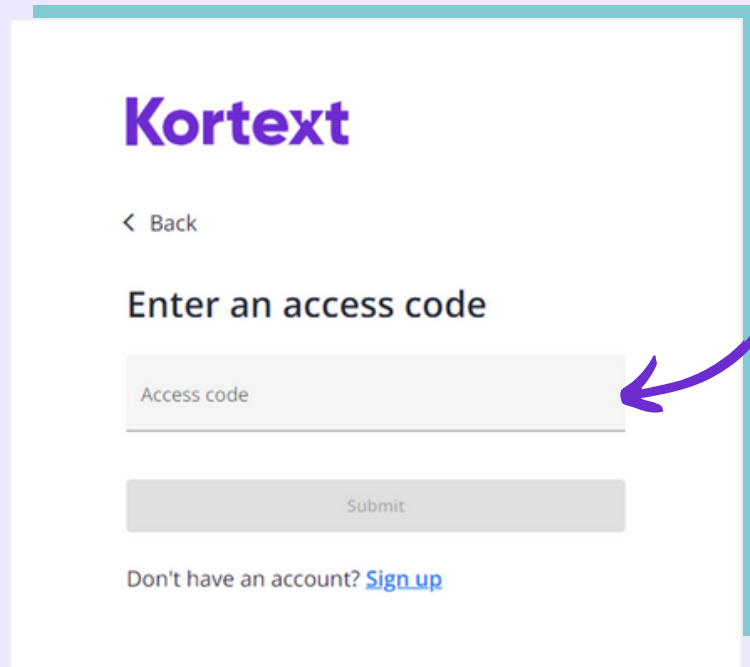

2. On the following screen, please select 'Sign in with access code'.

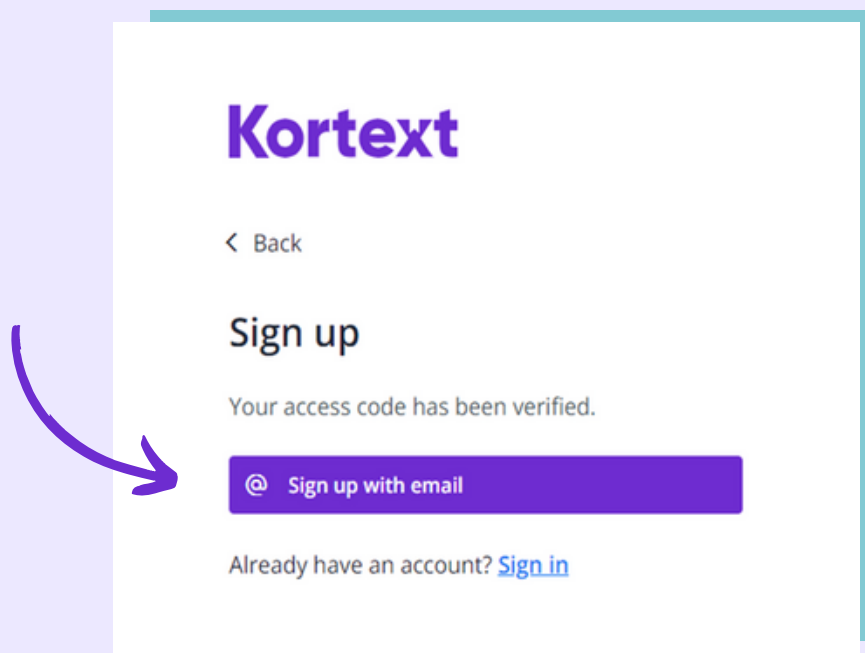

Access code guide

3. Enter your access code as prompted. Make sure not to add any extra spaces or characters if copying and pasting!

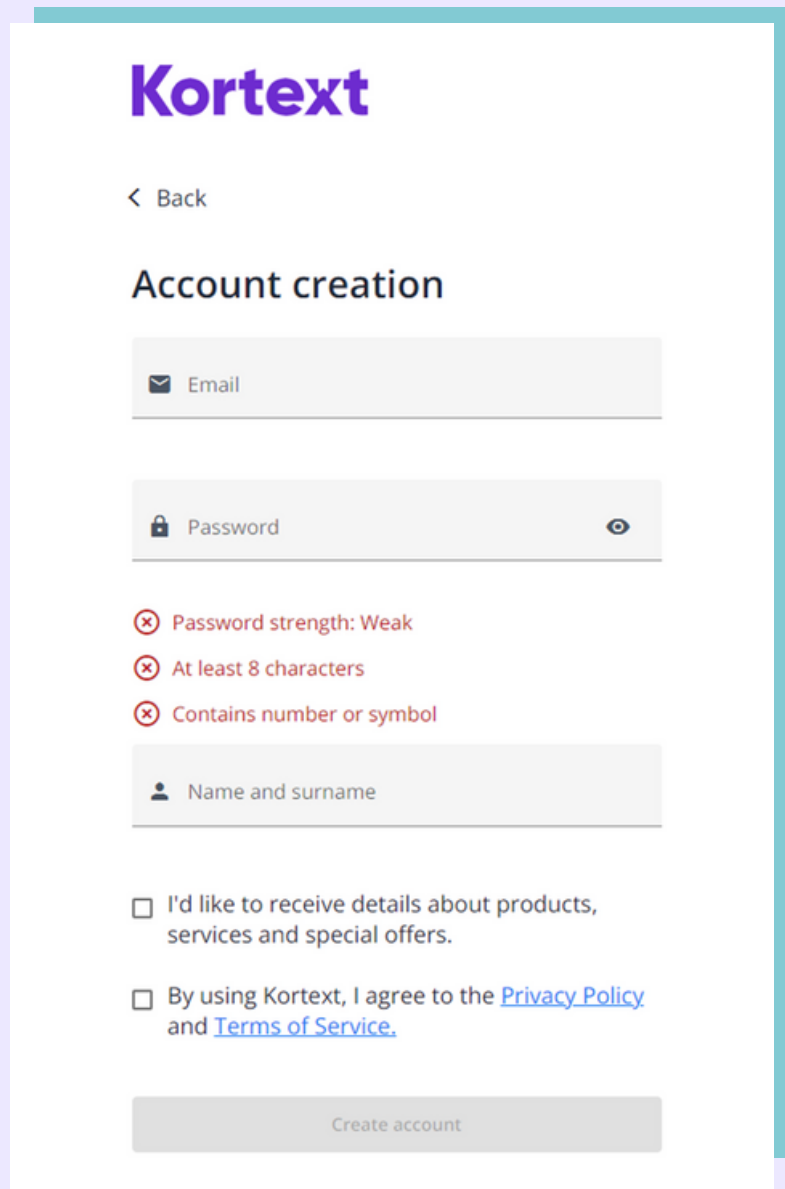

The screenshot shows the Kortex login interface. At the top is the 'Kortex' logo in purple. Below it is a '< Back' link. The main heading is 'Enter an access code'. There is a text input field labeled 'Access code' with a purple arrow pointing to it from the right. Below the input field is a grey 'Submit' button. At the bottom, it says 'Don't have an account? [Sign up](#)'.

4. If the access code is valid, you will see an acceptance message with an icon of the book. The following screen will then load, and you can now click 'Create my account' and then 'Sign up with email'.

The screenshot shows the Kortex sign-up interface. At the top is the 'Kortex' logo in purple. Below it is a '< Back' link. The main heading is 'Sign up'. Below that is a message: 'Your access code has been verified.' There is a purple button with a book icon and the text '@ Sign up with email', with a purple arrow pointing to it from the left. At the bottom, it says 'Already have an account? [Sign in](#)'.

5. You will then be taken to a page where you can create your credentials!

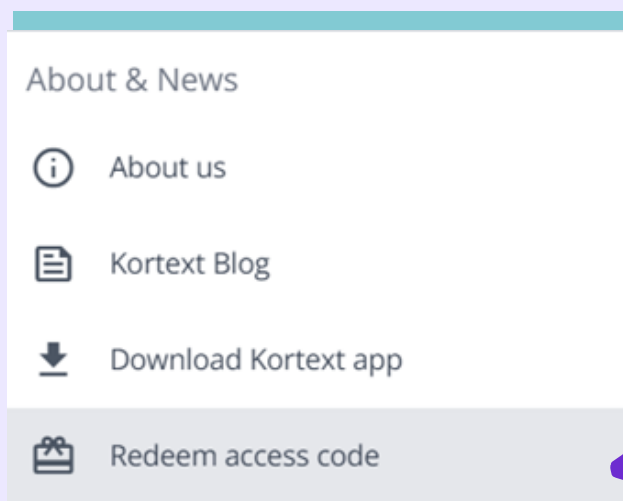

The screenshot shows the Kortex account creation interface. At the top is the Kortex logo in purple. Below it is a back arrow and the text '< Back'. The main heading is 'Account creation'. There are three input fields: 'Email' with an envelope icon, 'Password' with a lock icon and a toggle eye icon, and 'Name and surname' with a person icon. Below the password field, there are three red error messages, each preceded by a red circle with a white 'x': 'Password strength: Weak', 'At least 8 characters', and 'Contains number or symbol'. Below these are two checkboxes: 'I'd like to receive details about products, services and special offers.' and 'By using Kortex, I agree to the [Privacy Policy](#) and [Terms of Service](#).' At the bottom is a grey button labeled 'Create account'.

6. Once created you will be taken to your bookshelf, with the option to run through a user tutorial.

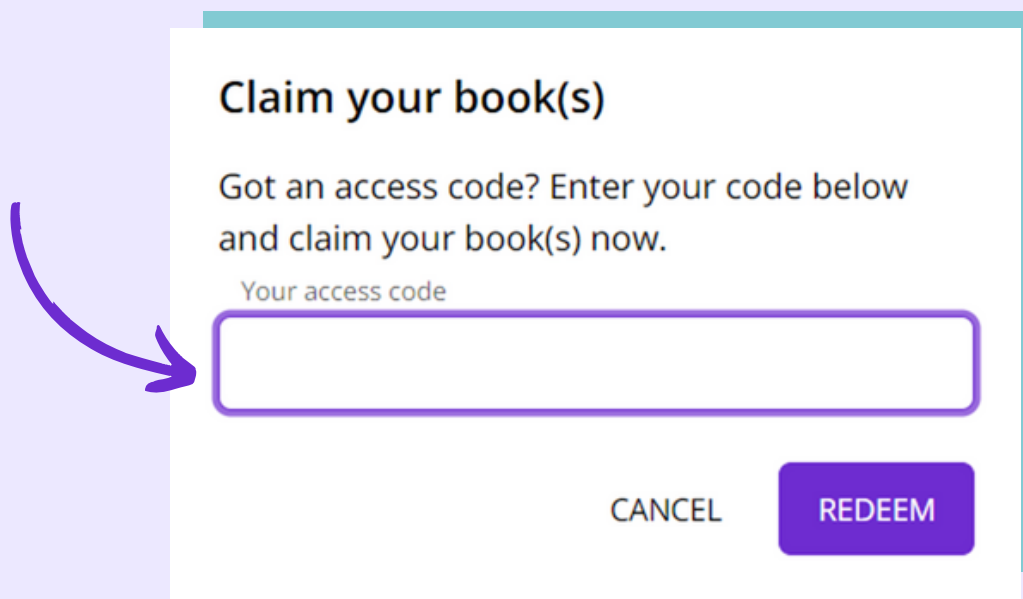

Access codes are a one- time use code, once redeemed you do not need to redeem them again to access the book, just sign into your account using the email & password you've set up in the steps above.

Existing users

1. Log into your Kortext account as normal.
2. In the top right-hand corner select the 'Account' drop-down menu & select 'Redeem access code'.

3. Enter the supplied access code. Make sure not to add any extra spaces or characters if copying and pasting!

A screenshot of a white form titled 'Claim your book(s)'. Below the title, it says 'Got an access code? Enter your code below and claim your book(s) now.' followed by 'Your access code' and a large white input field with a purple border. A purple arrow points from the left towards this input field. At the bottom right of the form are two buttons: a grey 'CANCEL' button and a purple 'REDEEM' button.

The new title will then be available from your bookshelf!
