Dear Mr Davies

Postgraduate Master's Finance – your finance has been approved

Check your Postgraduate Master's Finance summary, which confirms how much finance you're getting and when you'll be paid this year. This also includes some additional information to help answer any questions you might have.

About your finance

You may have been awarded less loan than you requested. This is because you are receiving more than the minimum grant entitlement and your funding can't exceed the maximum available.

What you need to do next

Make sure all the details in your Finance Summary are correct. If anything is wrong you need to let us know right away.

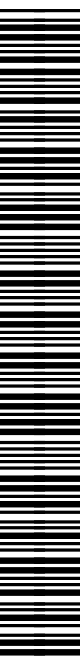

Your account details

Your Customer Reference Number, password and secret answer have not changed. Continue to use these whenever you contact us.

Remember to keep them safe and don't share them with anyone.

Yours sincerely

Important information about your finance

You can change how much loan you've asked for

Go to www.studentfinancewales.co.uk and download a Postgraduate Master's Loan Request Form if you want to change the amount of loan you want to borrow. If we've already paid instalments to you, you can't request less than the amount you've already been paid. If your finance is based on household income and you apply for the maximum finance available to you, some of your loan may be replaced by grant.

Your finance will be paid directly to you

The first payment is made after we receive confirmation of your registration from your university. Remember to take your Finance Summary with you when you register.

If any of your details change - you need to let us know

You may be able to update your information through your online account at www.studentfinancewales.co.uk

Check here first – if you can't update your information here you should call us on the number provided to let us know.

This includes changing course, leaving or suspending your studies or any changes to your personal details.

How we'll use your information

To find out how we'll use the information you provided on your application go to www.studentfinancewales.co.uk/privacynotice to read our Privacy Notice.

If you're claiming benefits

This finance helps towards the costs of your education and day-to-day living costs, and might affect any benefits you get. Contact Department of Work and Pensions for more information.

What if you take a break from your studies or withdraw from your course?

If you withdraw or take a break in studies you should let us know as soon as possible. Go to www.studentfinancewales.co.uk for more information on how this can impact your finance.

Getting a Postgraduate Master's Loan won't affect any previous student loans you may have

If you have more than one kind of student loan you will make payments to **all** balances at the same time once you enter repayment.

You can visit www.gov.uk/repaying-your-student-loan to find out more about repaying your loan.

Interest is charged on your Postgraduate Master's Loan from the day we make your first payment. No interest is applied to any Postgraduate Master's Grant you're receiving.

Would you like to know more?

We've created detailed information and guidance about all aspects of your Postgraduate Master's Finance including repayment – go to www.studentfinancewales.co.uk to find out more.
