THE HIDDEN CURRICULUM

READING BETWEEN THE LINES...

...refers to the unwritten, unofficial, and often unintended lessons, values and perspectives that students learn in school... academic, social and cultural message.

"School serves to mould individuals into subjects that fit in with the needs of capitalism. Pupils learn submission, conformity, deference to authority, respect for the established order and organisation of work and their place in all of this."

Louis Althusser 1972

THE MARXIST PERSPECTIVE ON EDUCATION

The Class system prevails.

Education is effected by lack of wealth as opposed to lack of ability.

Pupils are not always told the truth - Class system rules.

Reproduces class inequality.

'The myth of meritocracy'.

Those who can... will! Those who can't... won't!
