

Meddiant (De Cymru)

This is the pattern we use to show that someone has got something.

Mae	ci	gyda	fi.
Roedd	cloc		ti.
Bydd	cyfrifiadur		fe.
Does dim	cylchgrawn		hi.
Doedd dim	ceffyl		ni.
Fydd dim	tabled newydd		chi.
Oes	calendr		nhw?
Oedd	dyddiadur		Megan?
Fydd	llyfrau	gyda'r	merched?

Mae'r	ci	gyda	fi.
Roedd y/yr	cloc		ti.
Bydd y/yr	cyfrifiadur		fe?
Dydy'r	cylchgrawn	... ddim	hi?
Doedd y	ceffyl	... ddim	ni.
Fydd y	tabled newydd	... ddim	chi.
Ydy'r	calendr		nhw?
Oedd y	dyddiadur		Megan?
Fydd y	llyfrau	gyda'r	bechgyn?

Cofiwch

Possession (South Wales)

- The item that is owned comes at the start of the sentence or question and the person who owns it comes at the end, e.g.
Bydd beic newydd gyda hi.

- There is a soft mutation if the 'r, y or yr are followed by a feminine singular noun, e.g.
Doedd y gath ddim gyda nhw.

piau - to own

piau'r - owns the

If the object is replaced by a pronoun, then the 'r is not used, e.g.

Pwy sy biau'r ffôn? Emyr biau fe.

If the noun following the 'r is a feminine singular noun, it will take a soft mutation, e.g.

Pwy sy biau'r got? Charlie biau hi.

piau - owns

If the word 'the' doesn't appear in English, there won't be an 'r in Welsh, e.g.

Pwy sy biau hwn? Who owns this?

Mrs Lloyd sy biau fe.

You will need a sponge dice and a numbers dice.

Rhowch y geiriau yma mewn dis sbwng.

Put these words in the sponge dice.

naddwr	papur	car newydd
hanes	ffôn smart	ymarfer drama

Taflwch y ddau ddis. Yna, gwnewch frawddeg neu gwestiwn i gynnwys y geiriau.

Throw the two dice. Then make a sentence or question to include these words, e.g.

6 + blodau = Roedd y blodau gyda nhw.

Nesa, trïwch wneud brawddegau hir.

Next, try to make long sentences, e.g.

Bydd blodau coch, melyn a gwyn gyda fi yn yr ardd yn yr haf.

Dewiswch 6 gair newydd i roi yn y dis sbwng a chwaraewch y gêm eto.

Choose 6 new words to put in the sponge dice and play the game again.
