Yo Marc Sieg here. How are you? Been introduced to your work and your beats are sick bro. I've been after a slow tempo, Trap styled song with piano that has dem feels, ygm? Would love if we could have a session or sttn. Lemme know

Hey Sieg! Appreciate it bro and thanks for reaching out. I've got a couple of beats I can show you, or we could just make a new one from scratch. Let me know if you're free for a call later today.
