Model trawsnewidiol

Athrawon sydd wrthi'n chwilio am gyfleoedd i gael mewnwelediadau newydd ac yn:

- Disgwyl i'r rhain ddylanwadu ar eu harfer
- Ymwneud â phroses fwy cymdeithasol o adlewyrchu a gwerthuso a rennir
- Herio'r sefyllfa sydd ohoni yn ôl y gofyn
- Barod i edrych yn ffafriol ar newidiadau angenrheidiol

Transformative model

Teachers actively seek opportunities to gain new insights and:

- Expect these to influence their practice
- Engage in a shared, more social process of reflection and evaluation
- Challenge the status quo as appropriate
- Are readily disposed to necessary change

Immediate actions

Parking - system will be up and running by mid-sept. Students will need to register for parking, and details will come to their University email account.

Bursary forms are in your packs, and when completed should be handed into the student hubs on the ground floor. These will then be collected and processed by our admin team.

Equivalency Certificates will be available to collect from the student hubs team on the ground floor. Most will be there now, but if you took it in the last few weeks it will follow soon.

Log into your University email and Moodle before tomorrow's session. In addition, you should install eduroam on their devices (they may have to do this from home).
