

How to view the feedback on your assignment

Step 1: Go to the submission inbox for the assignment and click on “My Submissions”:

The screenshot shows a web browser window with the URL `dysgu.ydds.ac.uk/mod/turnitintool/view.php?id=91222`. The page has a navigation bar with links: Home, Useful Resources, TS, Turnitin Assignments, and Assignment 1 - 02/10/13 @ 14:00. Below the navigation bar are two tabs: Summary (selected) and My Submissions. A button labeled "My Submissions" is also visible. The main content area is titled "Turnitin Assignment Name" and "Summary". It contains the following text:

Assignment 1 - 02/10/13 @ 14:00

Please see your module handbook for assignment details. **Please remember you must:**

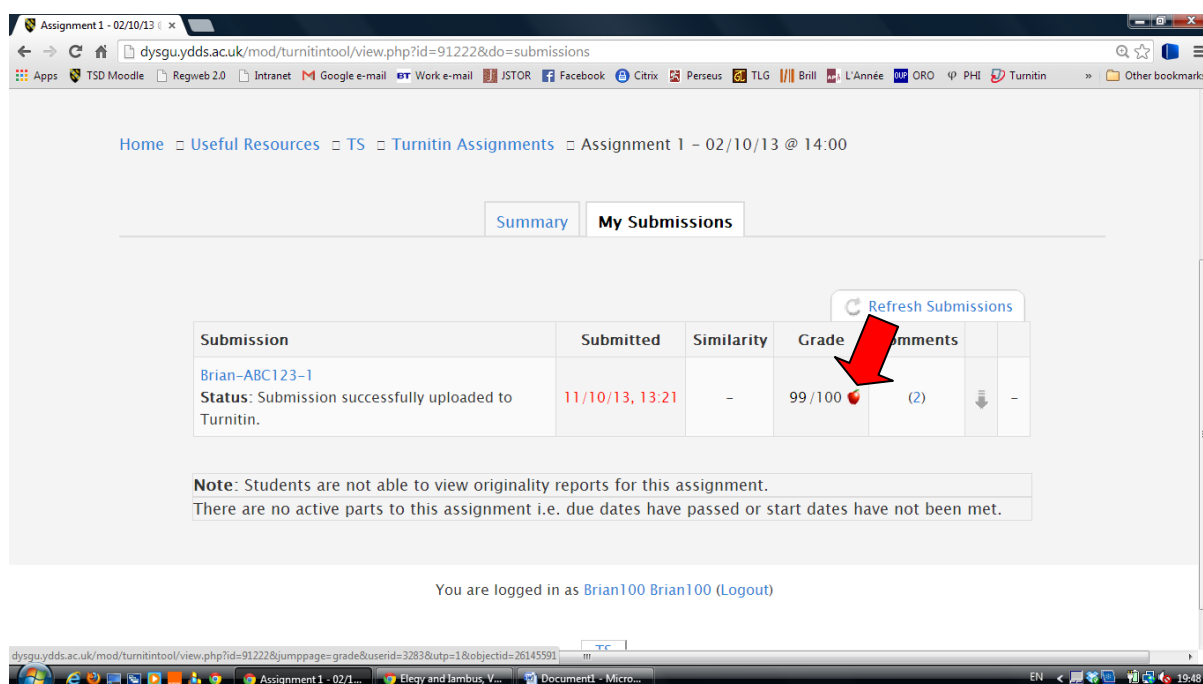

- 1) **Add a cover sheet** – available from your module page
- 2) **Name your file appropriately** – surname–module code–assignment number (eg.Brian101–ABC123–2)
- 3) Your **file must be RTF or Word**

Please see the Moodle Resources area for support if required.

Assignment Part	Start Date	Due Date	Post Date	Max Marks
Part 1 02/10/13	1/10/13, 11:30	11/10/13, 11:00	11/10/13, 11:35	100

Step 2: You should now be able to see your marked assignment and your grade. You can check out your grade here. DO NOT ignore the feedback! Go and read them – they are there to help you write better essays in the future.

To see the feedback you need to click on the RED APPLE next to your grade. Careful: There won't be any comments in the box on Moodle, as I have marked your assignments on Turn-it-in Gradermark.

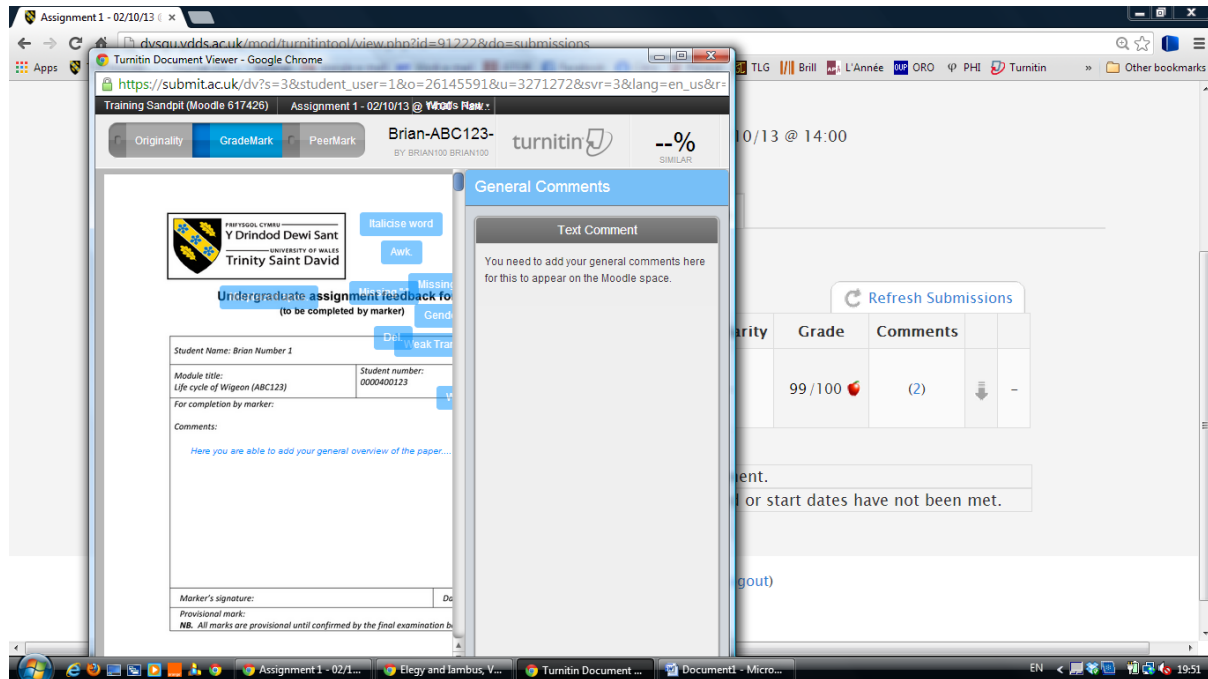

The screenshot shows the same web browser window, but now the "My Submissions" tab is selected. A "Refresh Submissions" button is visible. The main content area displays a table with the following data:

Submission	Submitted	Similarity	Grade	Comments
Brian-ABC123-1 Status: Submission successfully uploaded to Turnitin.	11/10/13, 13:21	-	99/100 	(2)

A red arrow points to the red apple icon next to the grade. Below the table, a note states: "Note: Students are not able to view originality reports for this assignment. There are no active parts to this assignment i.e. due dates have passed or start dates have not been met."

Step 3: You will now be taken to Turn-it-in. It might open in a new window or a pop-up window. Here you will be able to see not only the general feedback on your work but also specific corrections and comments in your text. For some of you there is an extra “voice” comment as well.

You can see the comments on the box on the right. The voice comment (where it exists) is just over the comments box on the right.

You can also see the individual comments in the text (and the many corrections that are there to help you proofread and write better in your next essays) by hovering over the blue comment fields.
