

MARKING CRITERIA and STUDENT FEEDBACK

This section details the assessment criteria. The *extent* to which these are demonstrated by you determines your mark. The marks available for each criterion are shown. Lecturers will use the space provided to comment on the achievement of the task(s), including those areas in which you have performed well and areas that would benefit from development/improvement.

Common Assessment Criteria Applied	Marks Available	Marks Awarded
1. Engagement with Literature Skills		
Extensive range of literature demonstrating excellent knowledge. Submission is missing bibliography and referencing.	20	15
2. Knowledge and Understanding Skills		
Demonstrated excellent knowledge of prototype. However you are missing screens that you highlighted in the requirements.	20	15
3. Cognitive and Intellectual Skills		
Demonstrated excellent knowledge of app development. However I would include identifying requirements and screens with Unique identifiers.	20	17
4. Practical Application Skills		
Excellent use of word to present your findings. Content was inline with rubric. However there is a discrepancy between requirements and screens. General text shouldn't be in semi bold.	20	15
5. Transferable Skills for Life and Professional Practice		
Excellent knowledge of App design. Needs to work more closely with all team members to enable a more coherent solution.	20	13
