Golygu fideo / Video Editing

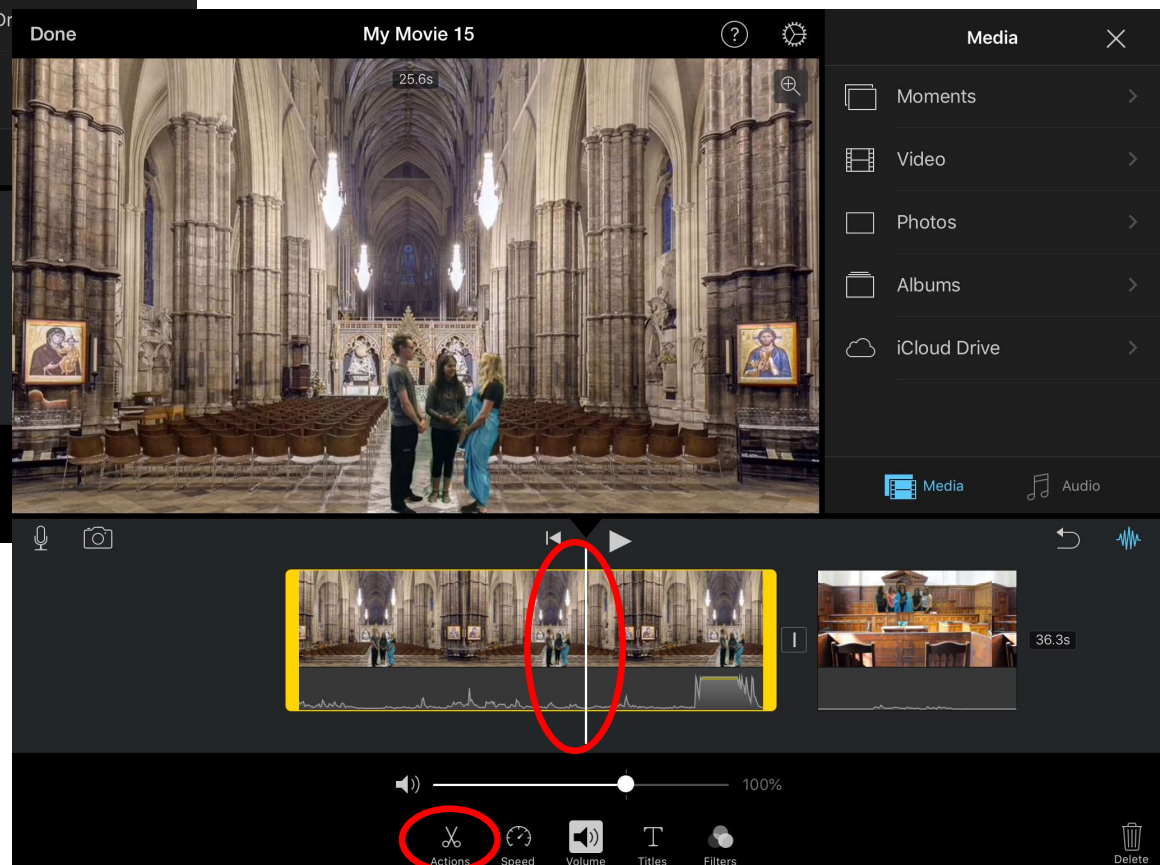

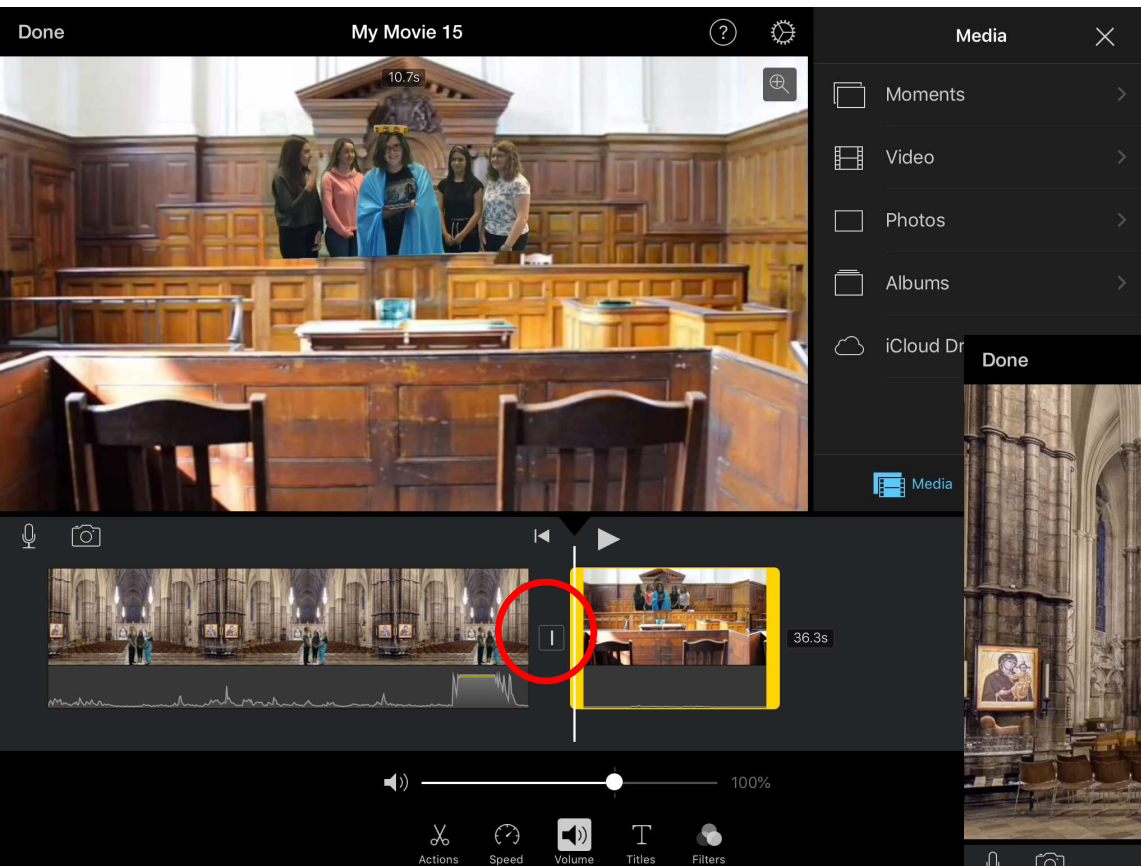

Alun Thomas

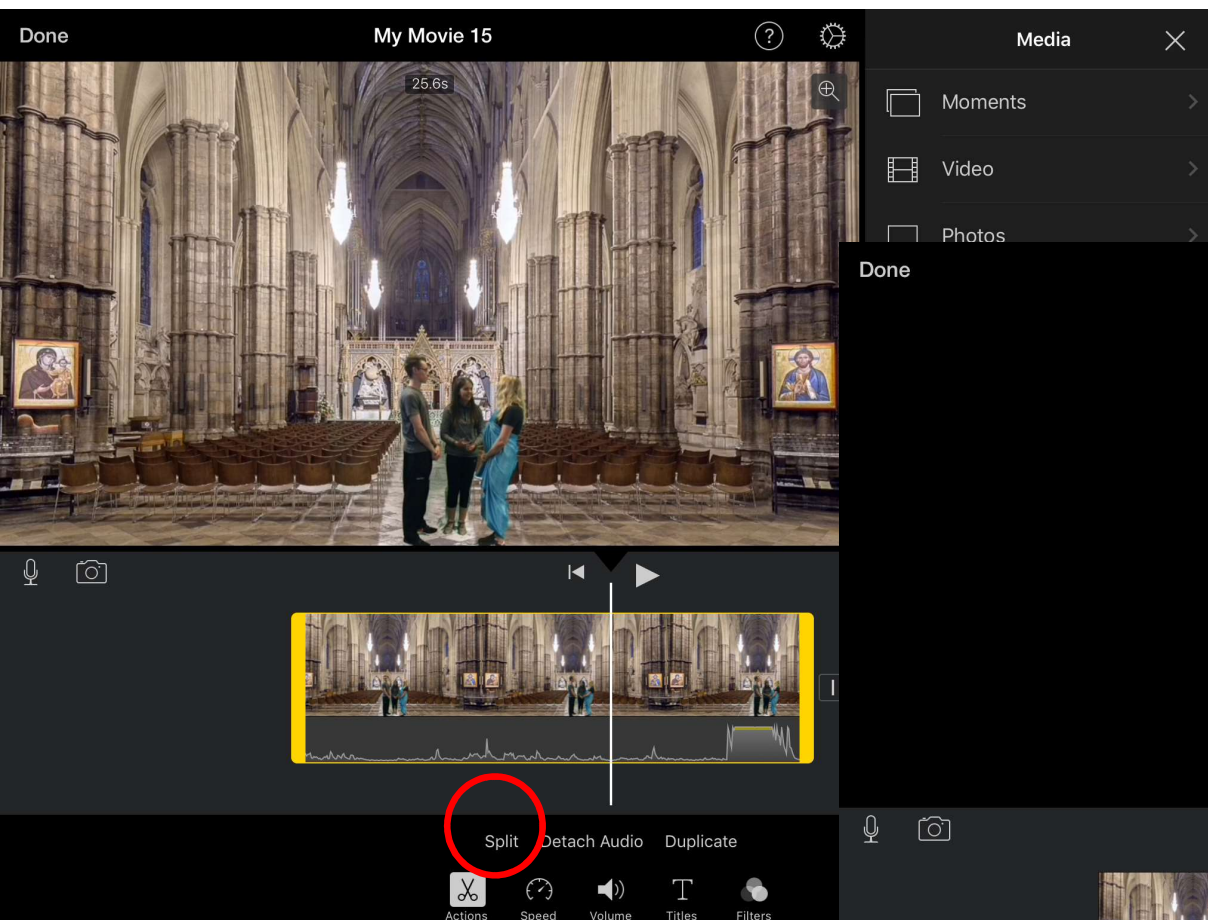

Peidiwch â gwneud trawsnewidiad gorwych! /
Don't produce flashy transitions!

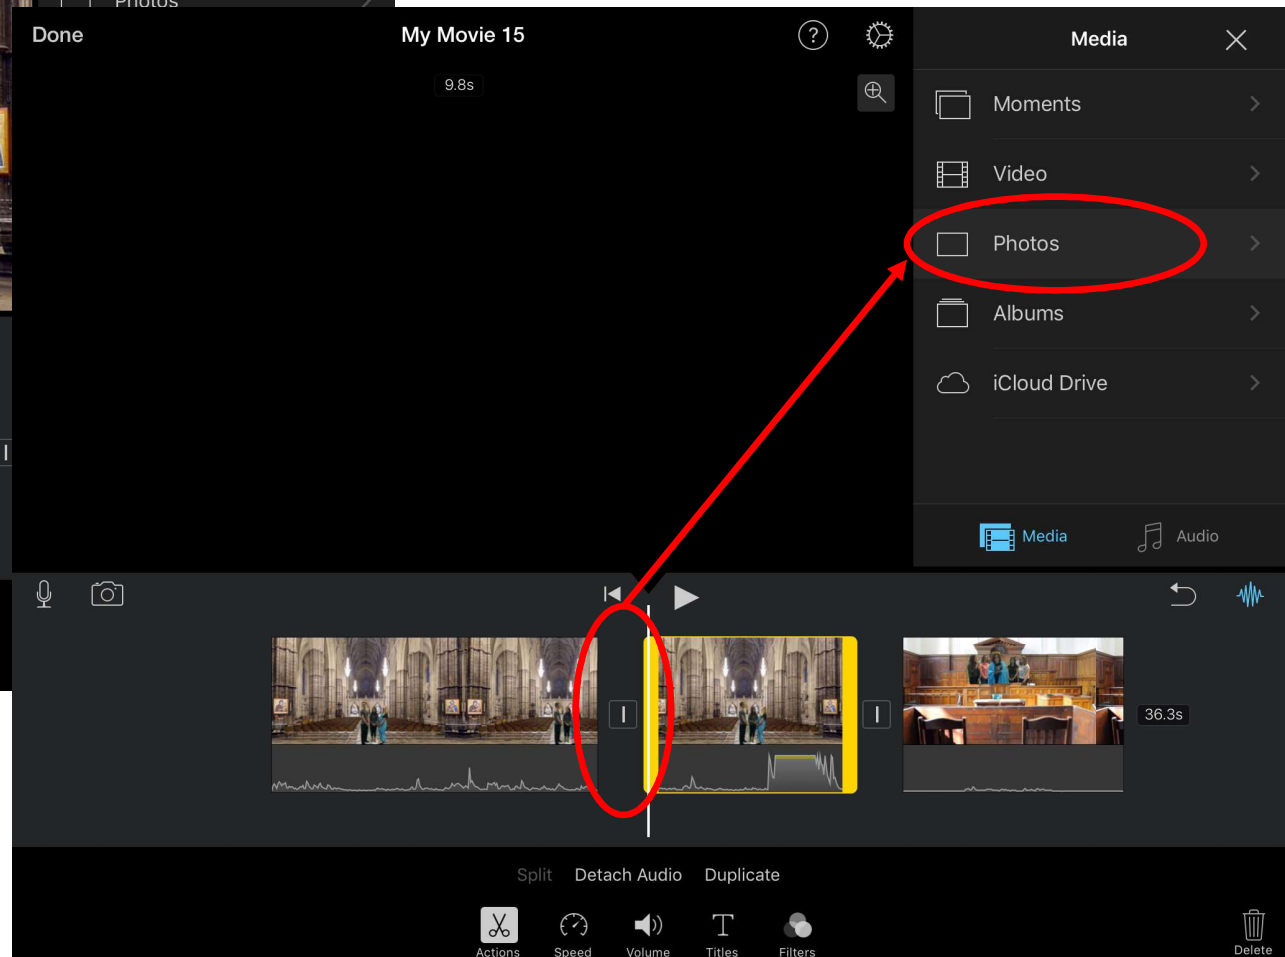

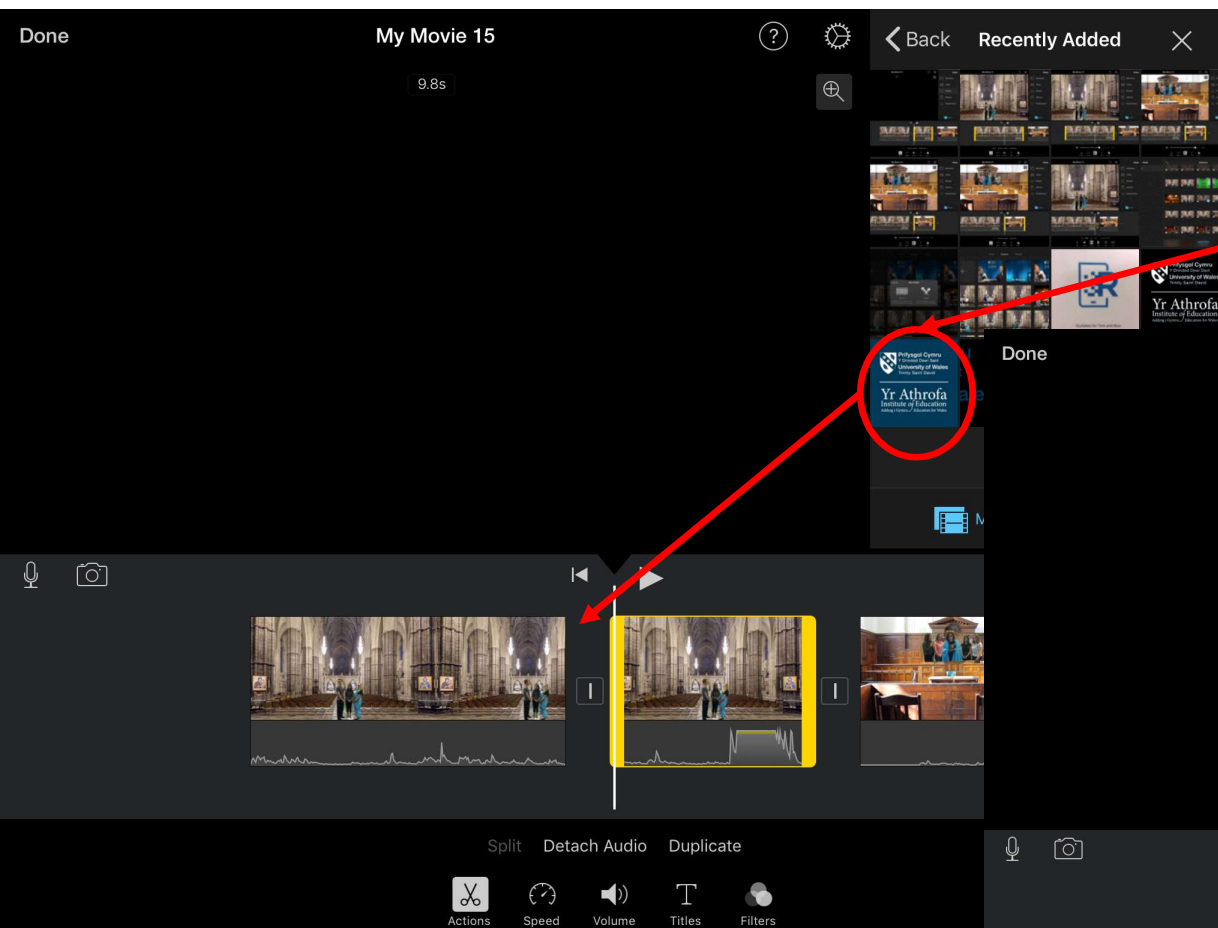

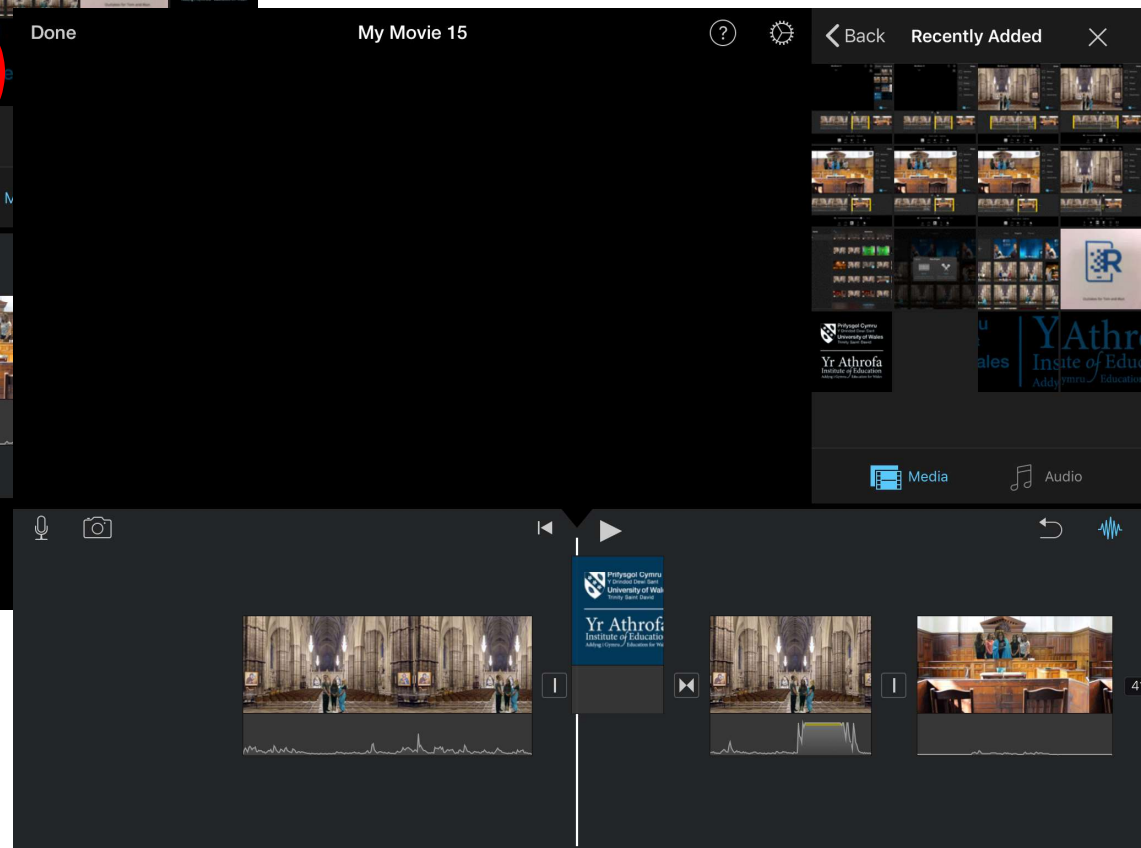

Torri'r clip mewn hanner yn hawsach i olygu /
Splitting the clip is easier when editing!

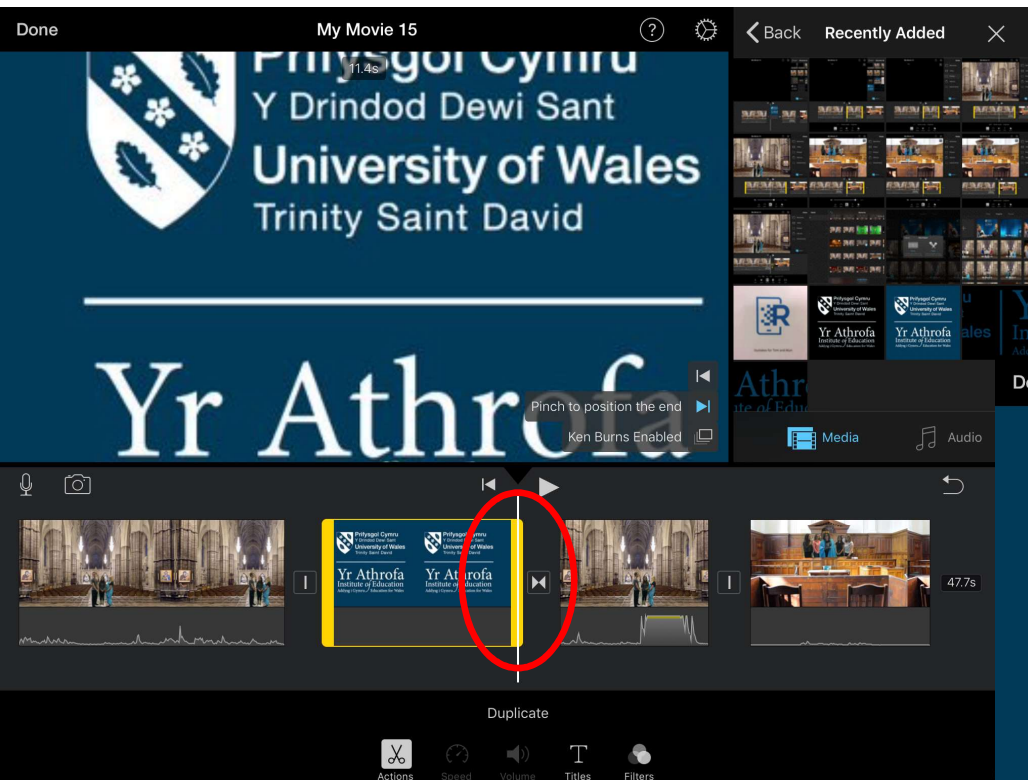

Llwythwch amlygyfrwng mewn i glip e.e. llun /
Load multimedia into the clip e.g. photos

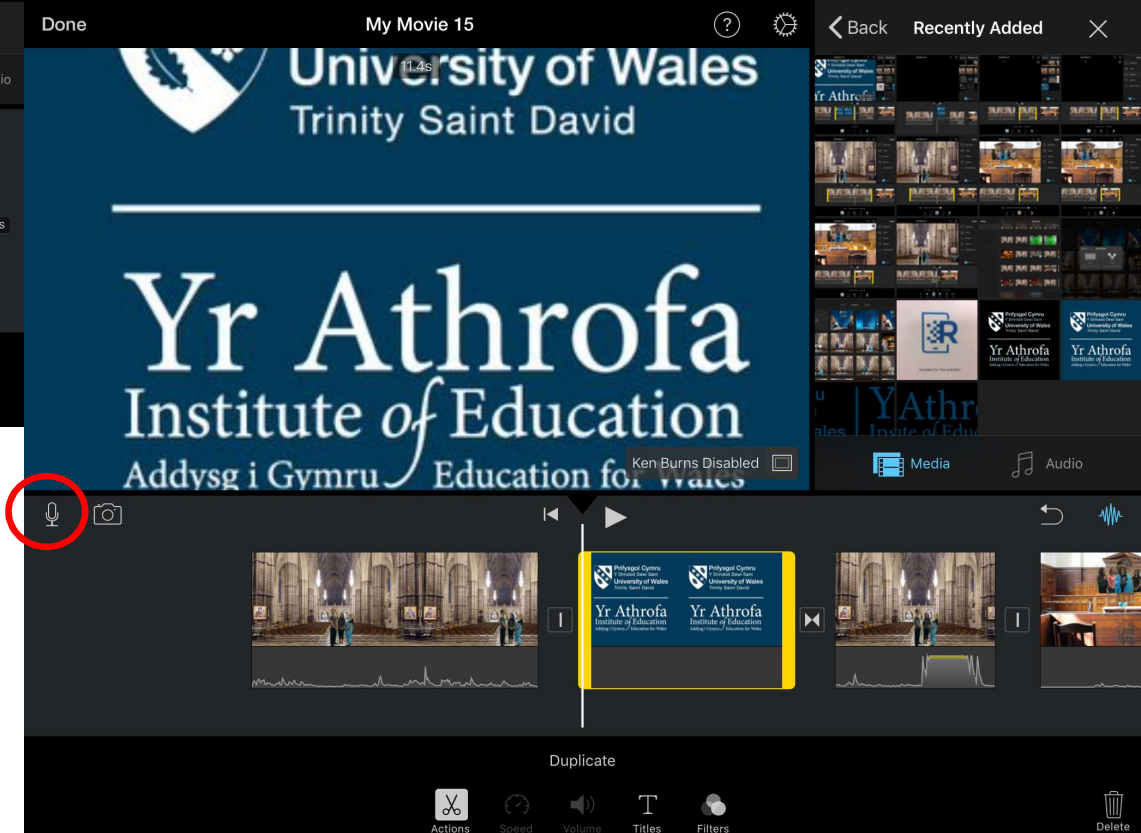

Darganfod y llun a llusgo mewn i'r bwrdd stori /
Locate the image and drag into the storyboard

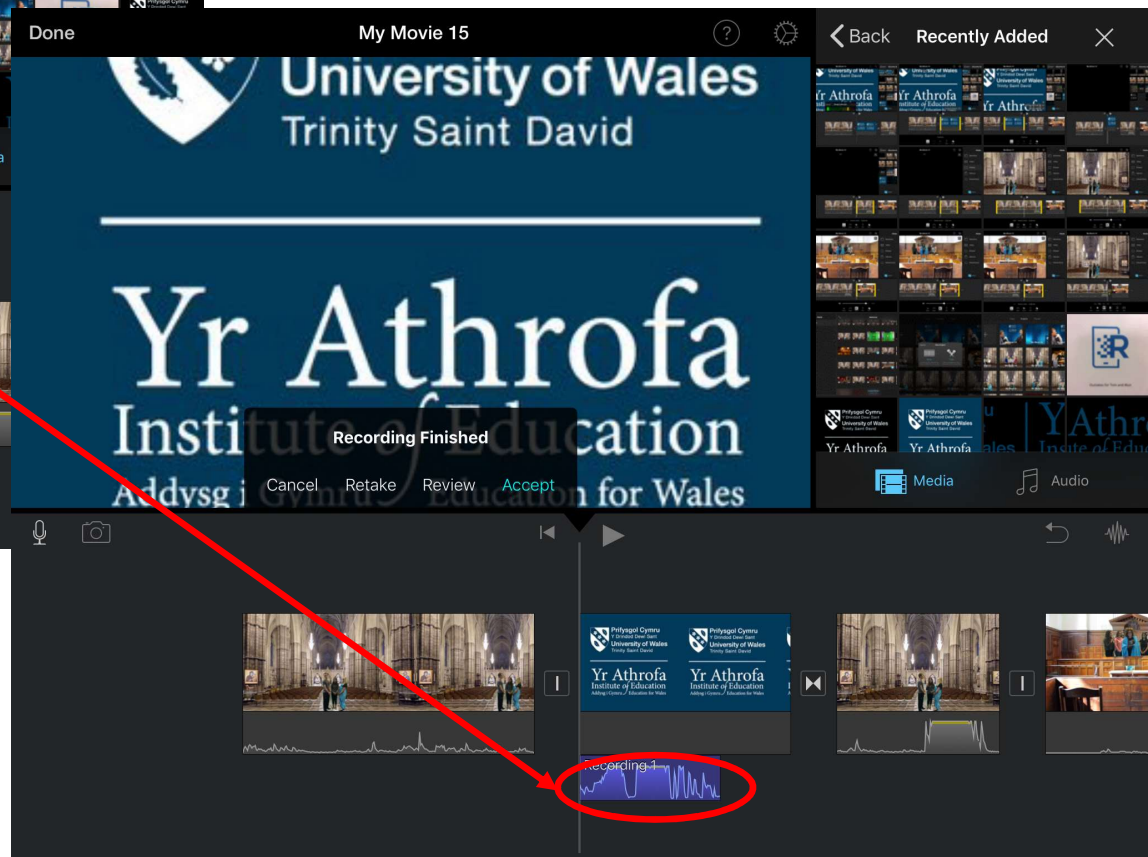

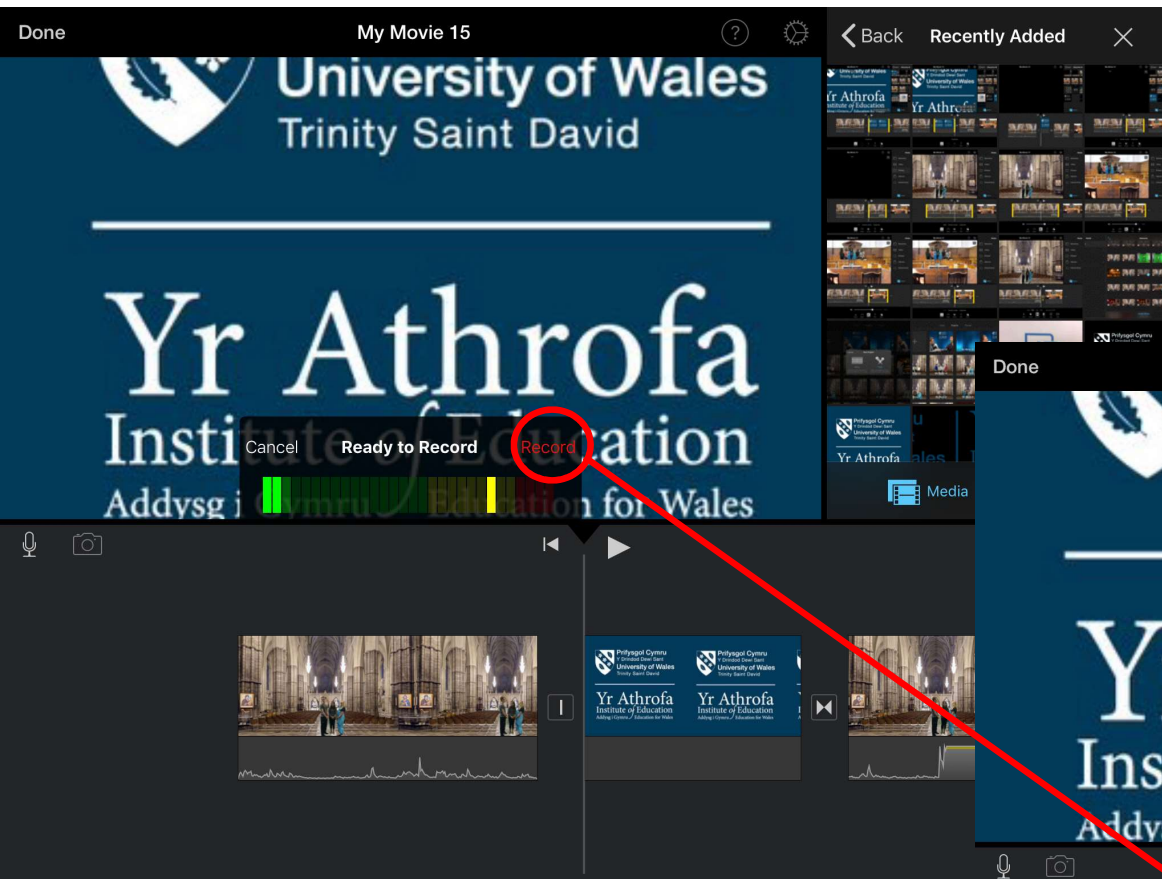

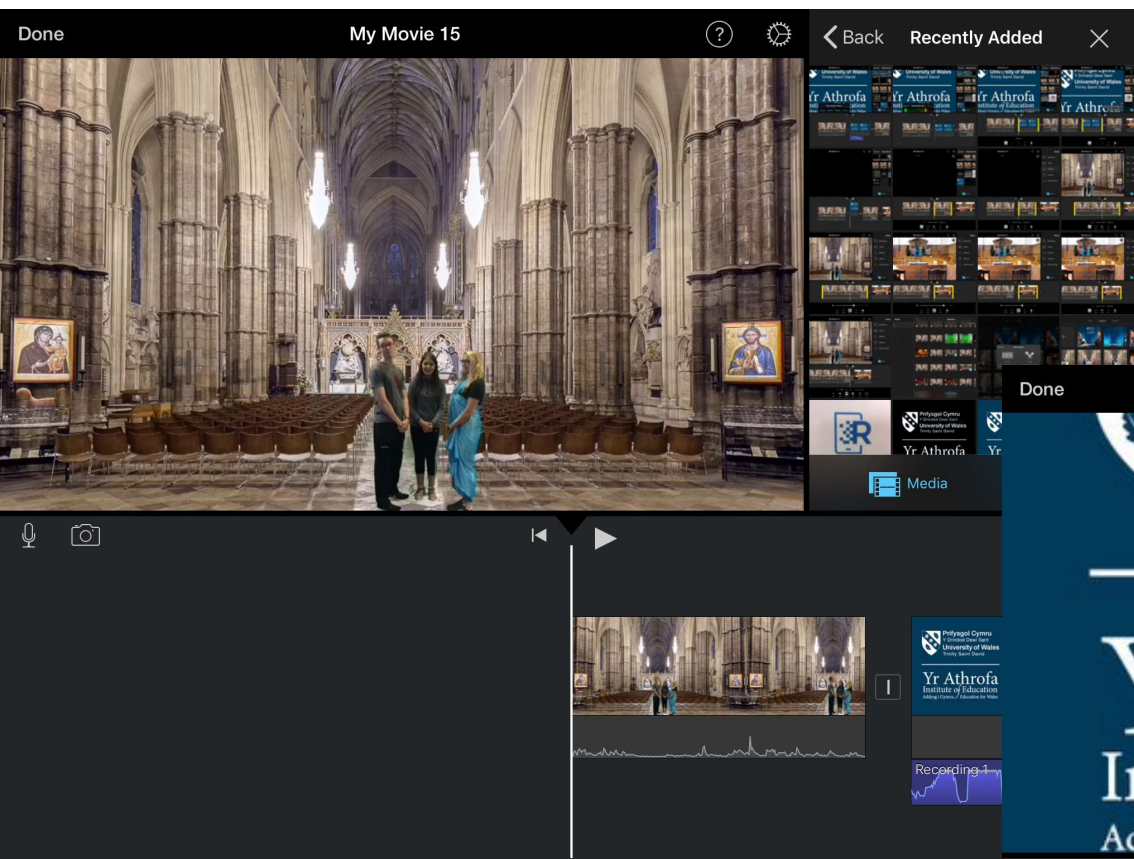

Ymestyn rhediad y llun /
Extend the run time of the picture

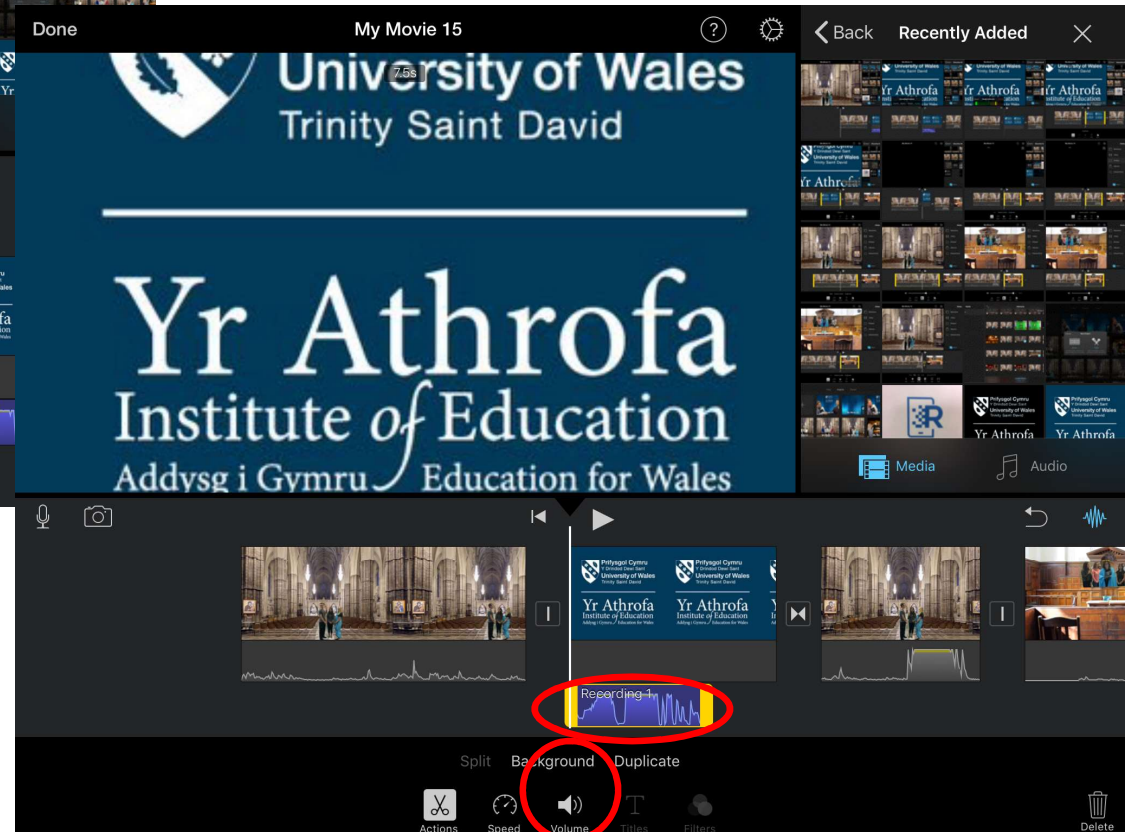

Creu sain ar ben y llun /
Narrate a sound on top of the picture

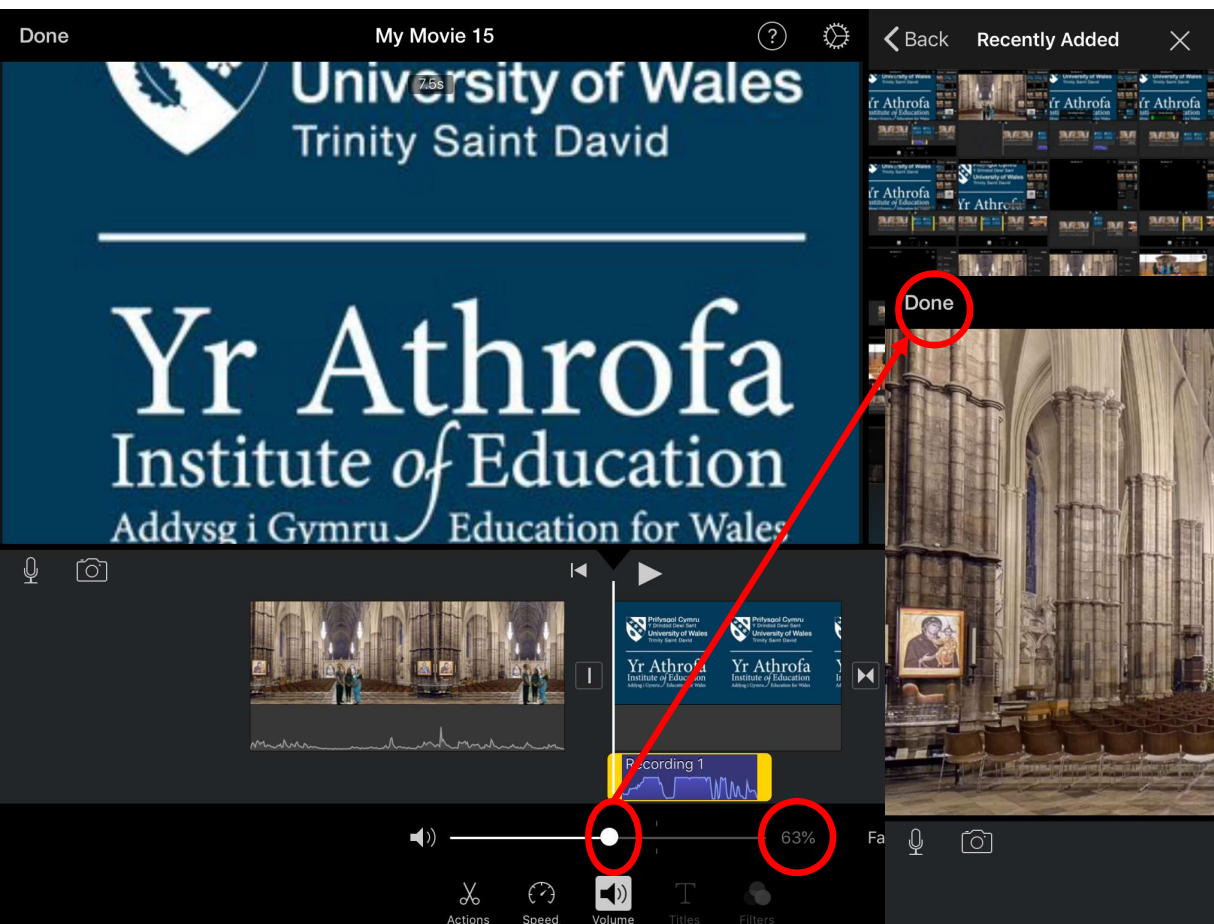

Cysondeb y sain yn bwysig. Does neb angen trosglwyddo o un clip sydd â sain uchel i glip sain isel /

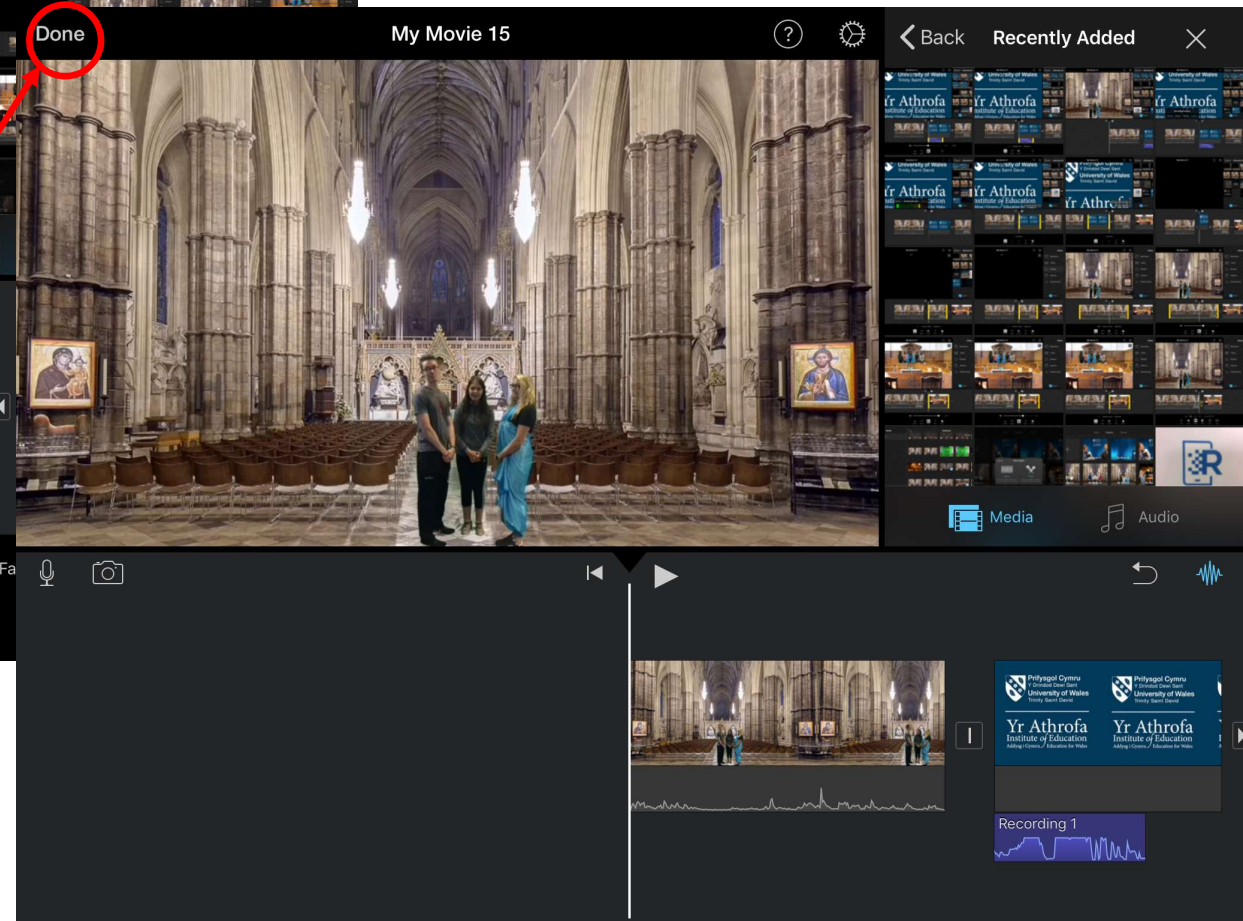

Consistency of the sound is important. Make sure each clip does not transition from loud audio to quiet audio.

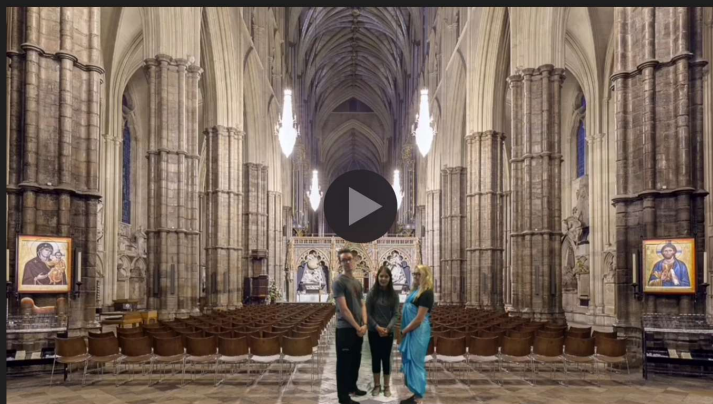

Wedi gorffen, "Done" / Finished, "Done"

Gwneud y sain yn is / Reduce the volume
