

VEVOX Quick Instructions

VEVOX has two sites!

Vevox.app is for students to use!

Vevox.com is for you to access the actual survey/questions, etc.

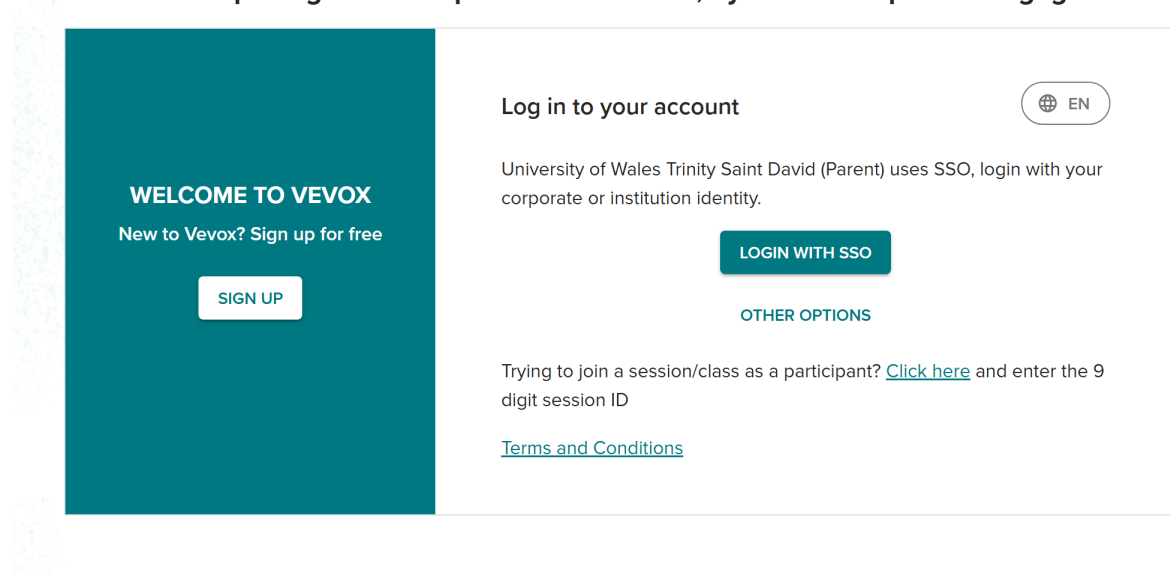

We use VEVOX a lot, so it's better to have it open on your browser, so you can get to it easily.

FOR YOU:

Step1: Go to <https://uwtsd.vevox.com/>

Step2: Log in with SSO

The #1 rated polling and Q&A platform for online, hybrid and in person engagement

Step3: Find the right vevox set for your module and group.

Step6: Poll will open

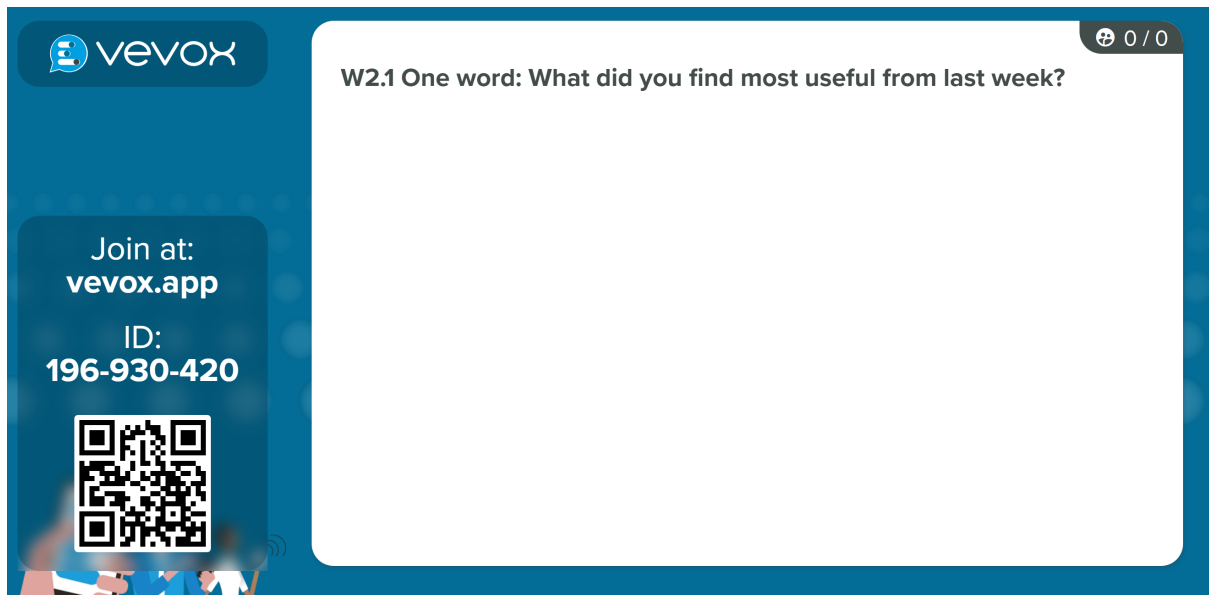

Step7: Go to the right-hand side of the screen, and open the poll on a new tab:

This button:

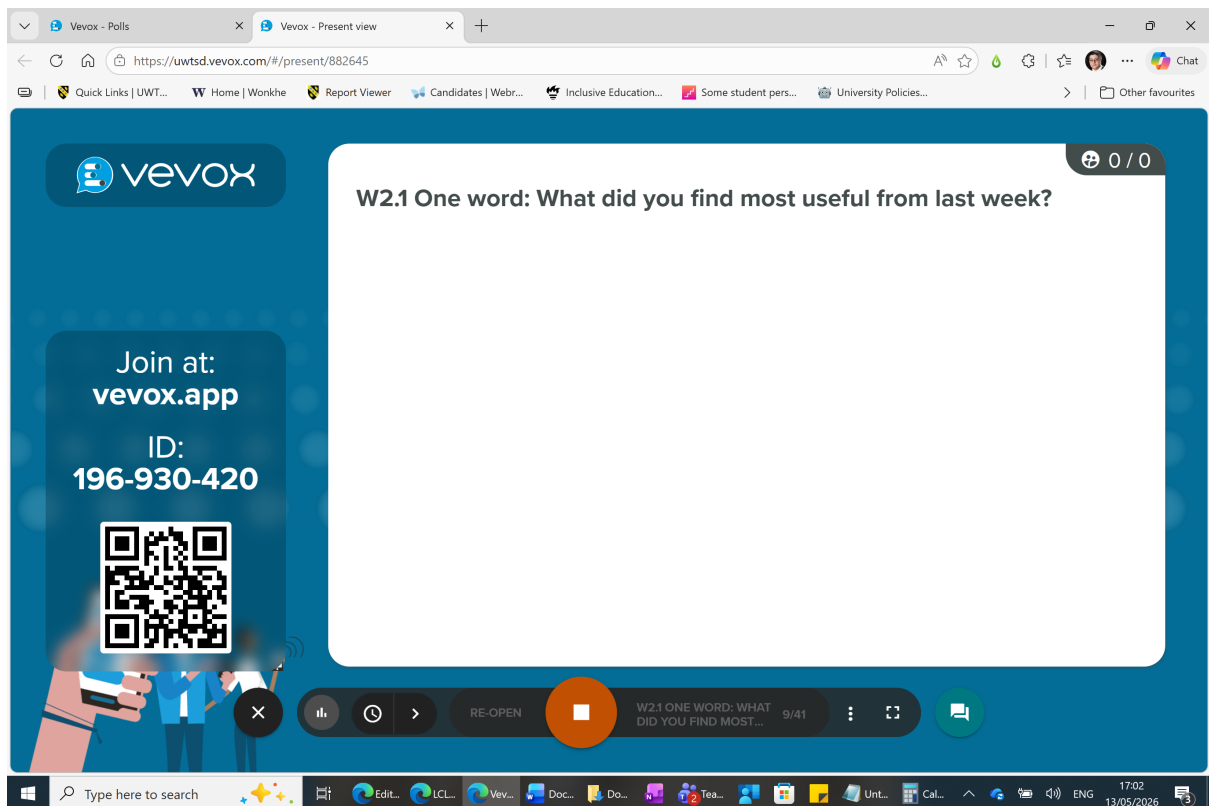

Step8: You will see something like this:

This is the screen you share with your students!

It has the information for them to get on vevox, and the open poll.

If you hover at the bottom of the screen, you will see the controls:

These allow you to open a poll, close it to see the results, and go to the next one.
