Comments: <i>This is an incredibly interesting & well-researched piece of work that focuses on the task set & reveals an excellent understanding of relevant scholarship. In places, the essay tends to be overly descriptive, and I think there is more scope for incorporating more by way of an argument that draws more heavily on some fragments. However, this is an excellent piece of work & very well written, evincing a perceptive & in-depth understanding of the topic.</i> <i>73%</i>
