COLOURTOPIA

Have you heard of it? Colourtopia?

COLOUR, noun

the property possessed by an object of producing different sensations on the eye as a result of the way it reflects or emits light.

UTOPIA, noun

an imagined place or state of things in which everything is perfect.

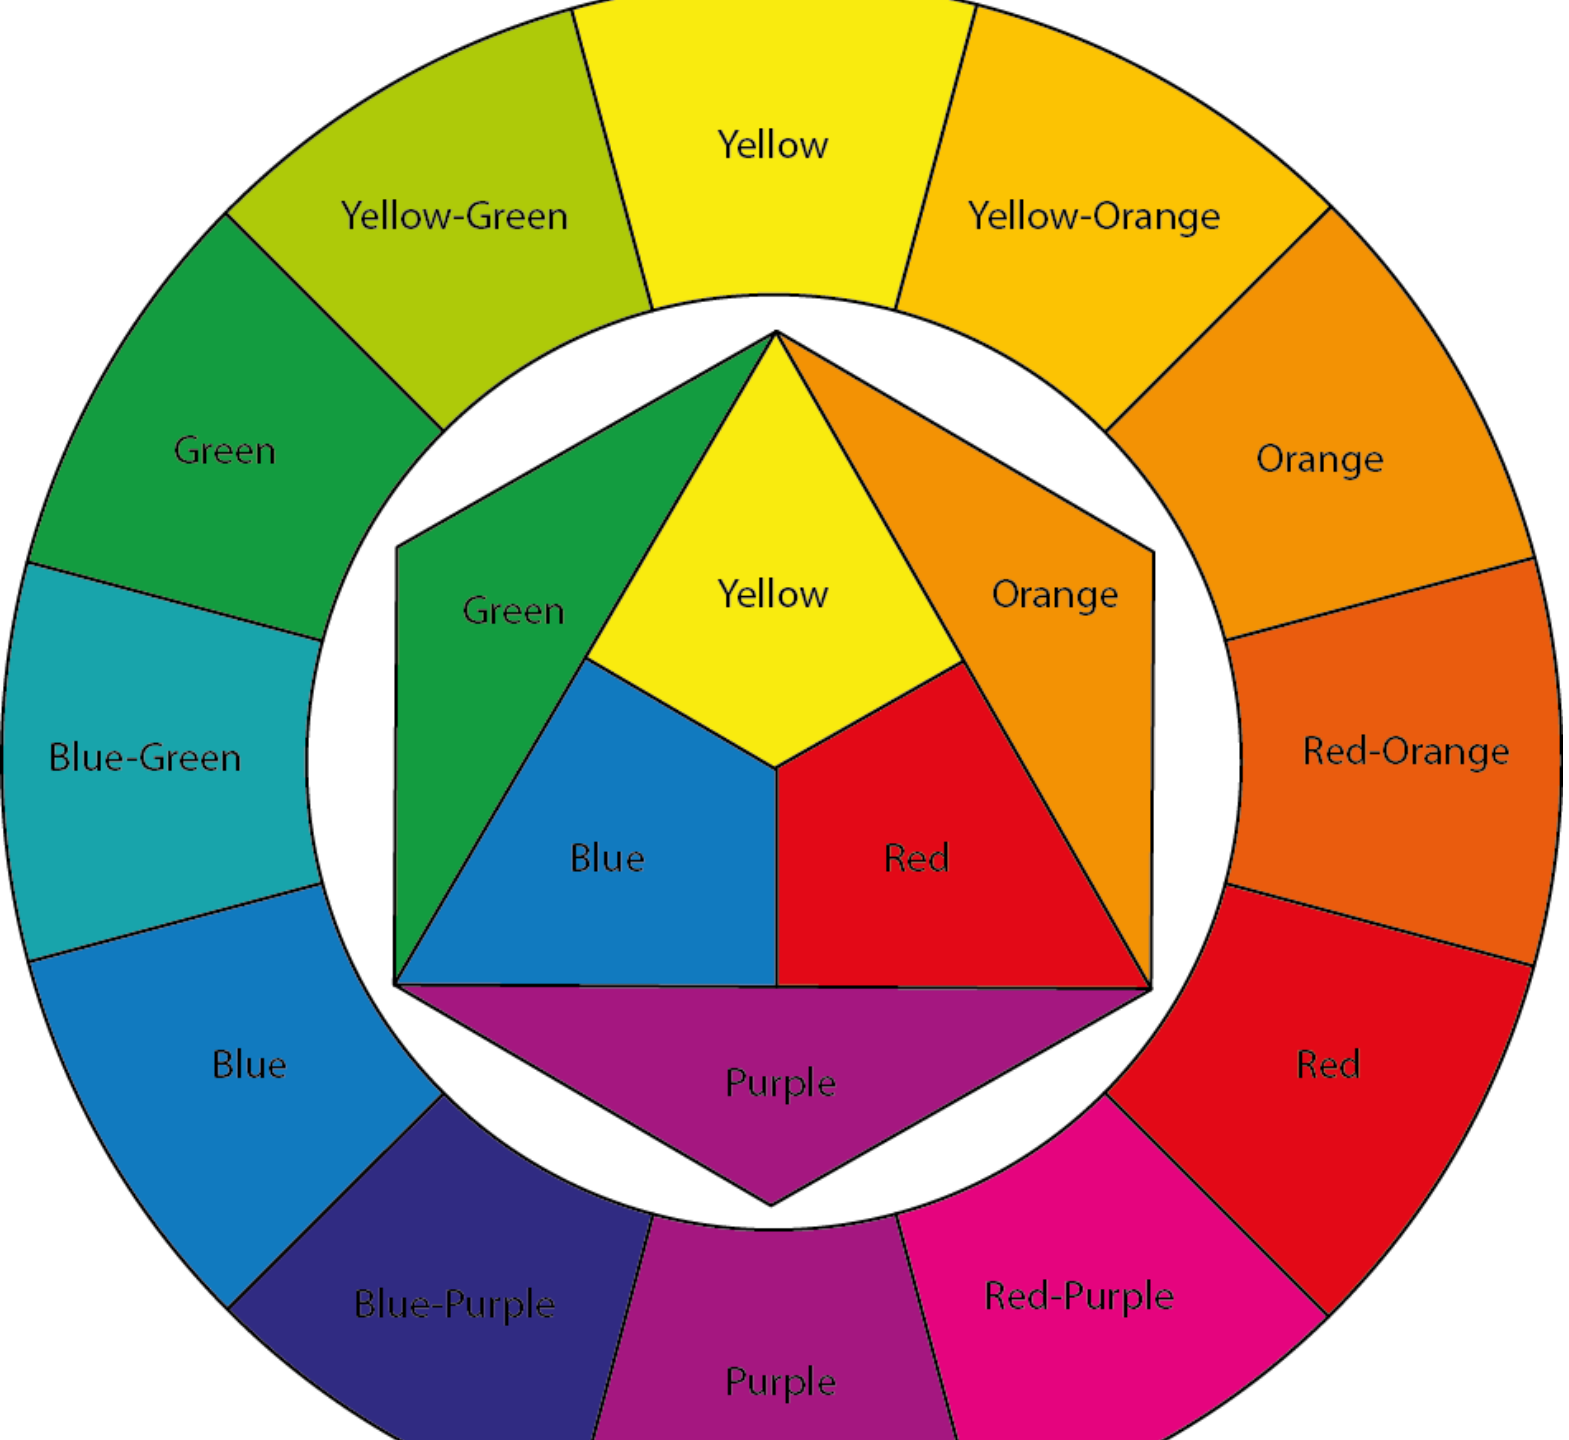

COLOURTOPIA, noun

an imagined word, dreamed and invented, conjured up for colour enthusiasts, designers, imagineers and materialists in search of technicolored answers to an imagined state of being, where there could be signs of perfection (possibly fused with failure?)

“All colours are the friends of their neighbours and the lovers of their opposites”

Lets go back to some basics…

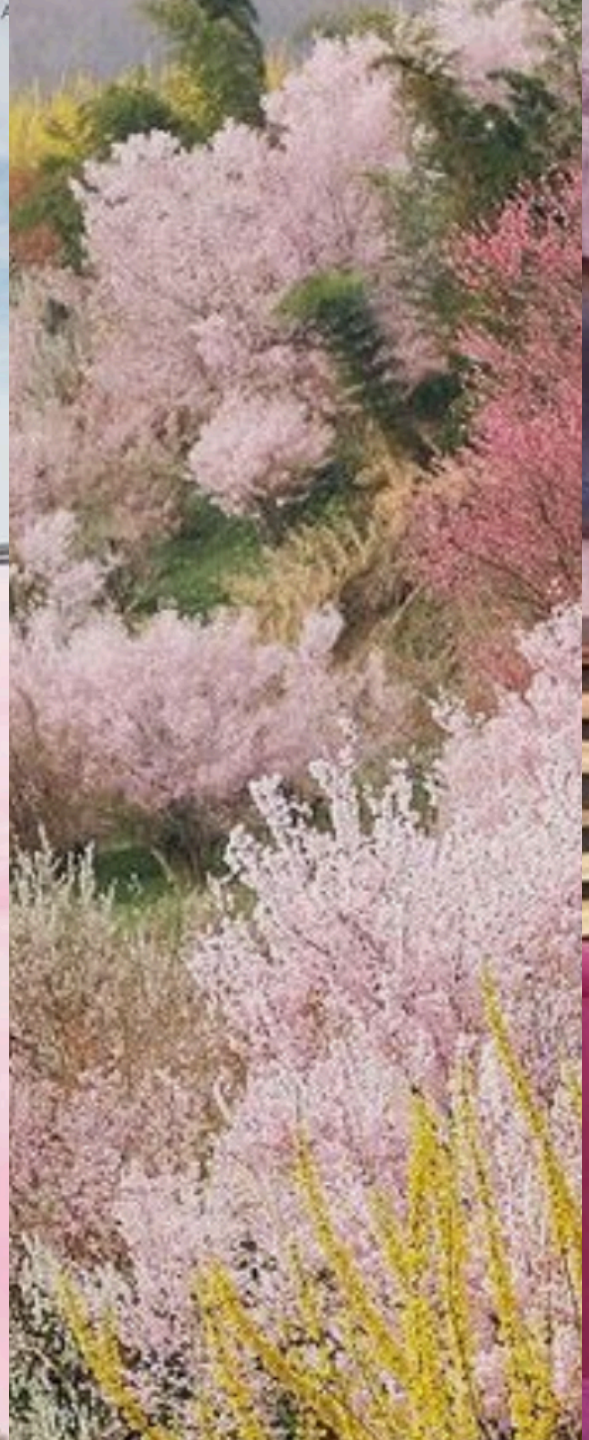

Blahblahblahblahblahblahblah…. Where is she going with this?

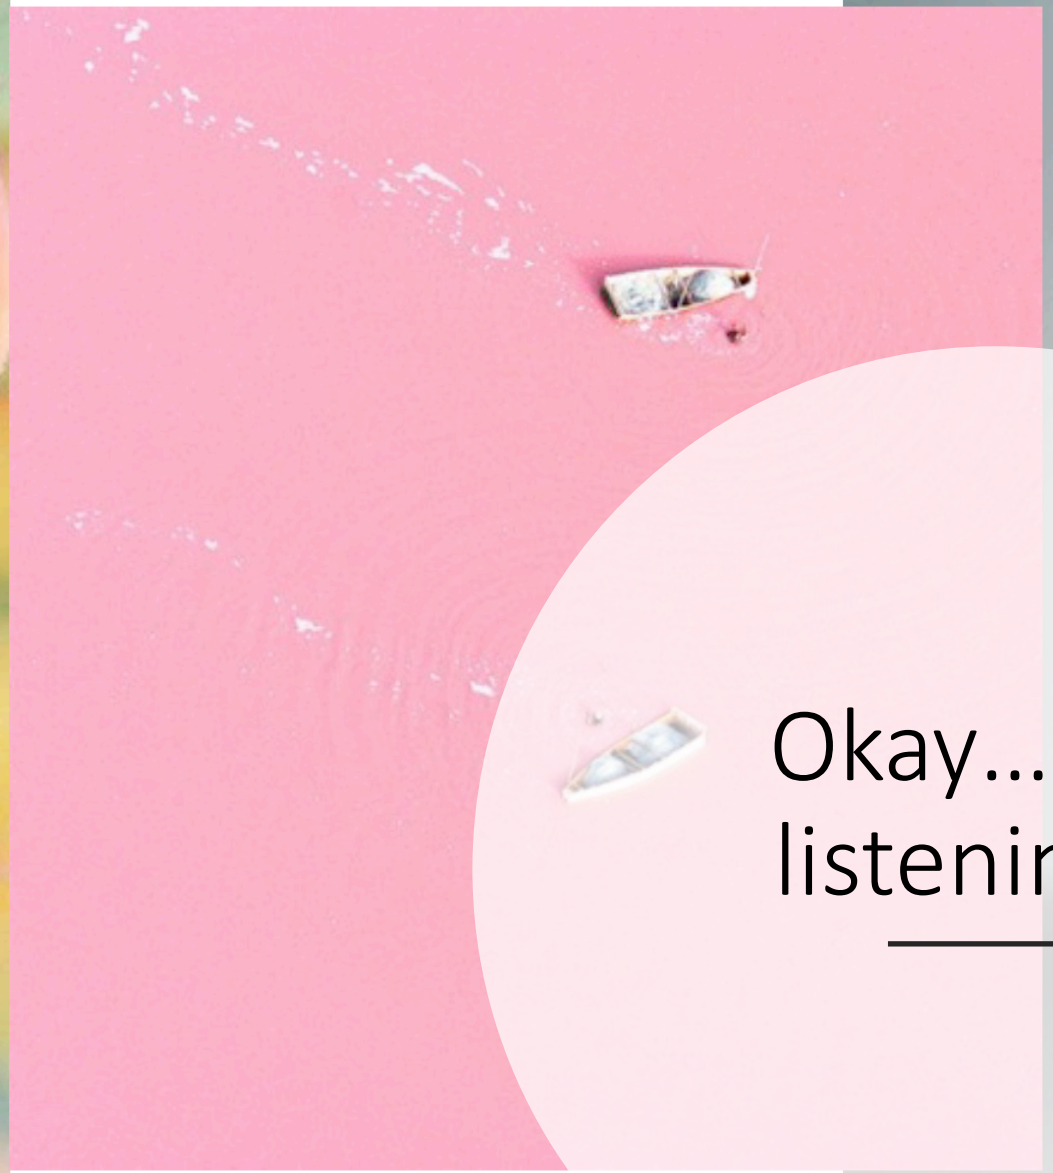

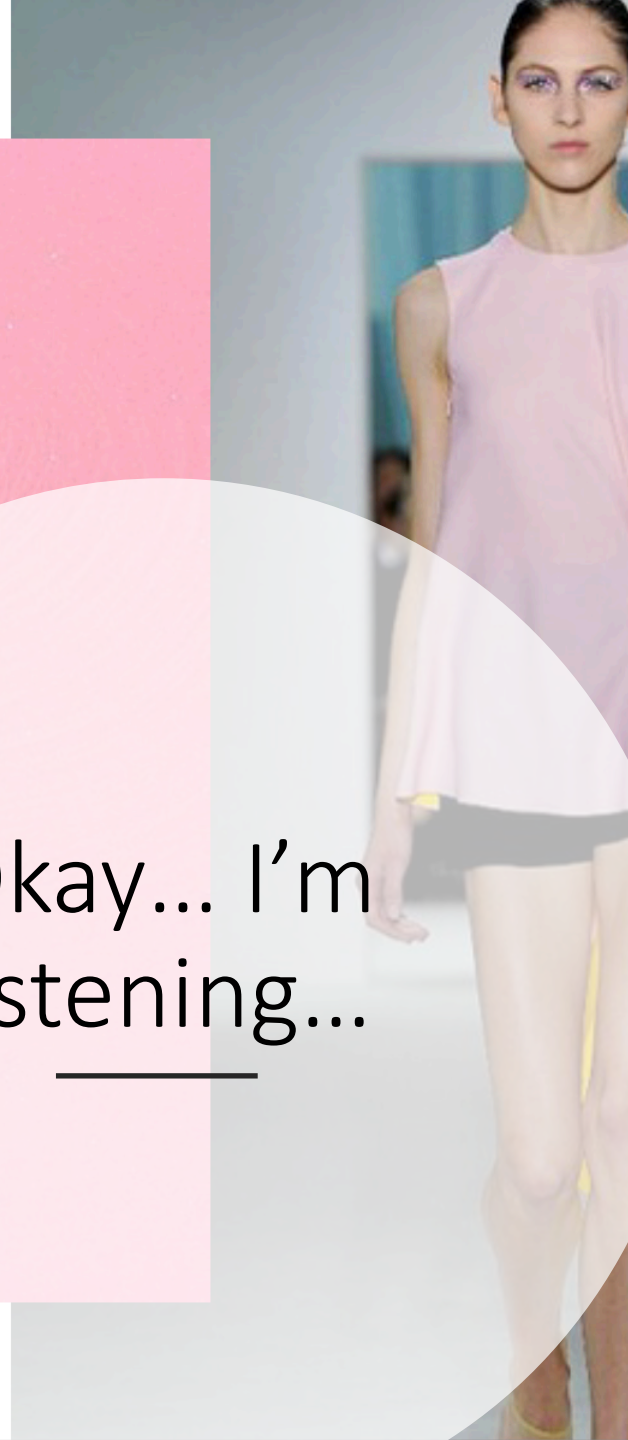

TV

Okay… I’m listening…

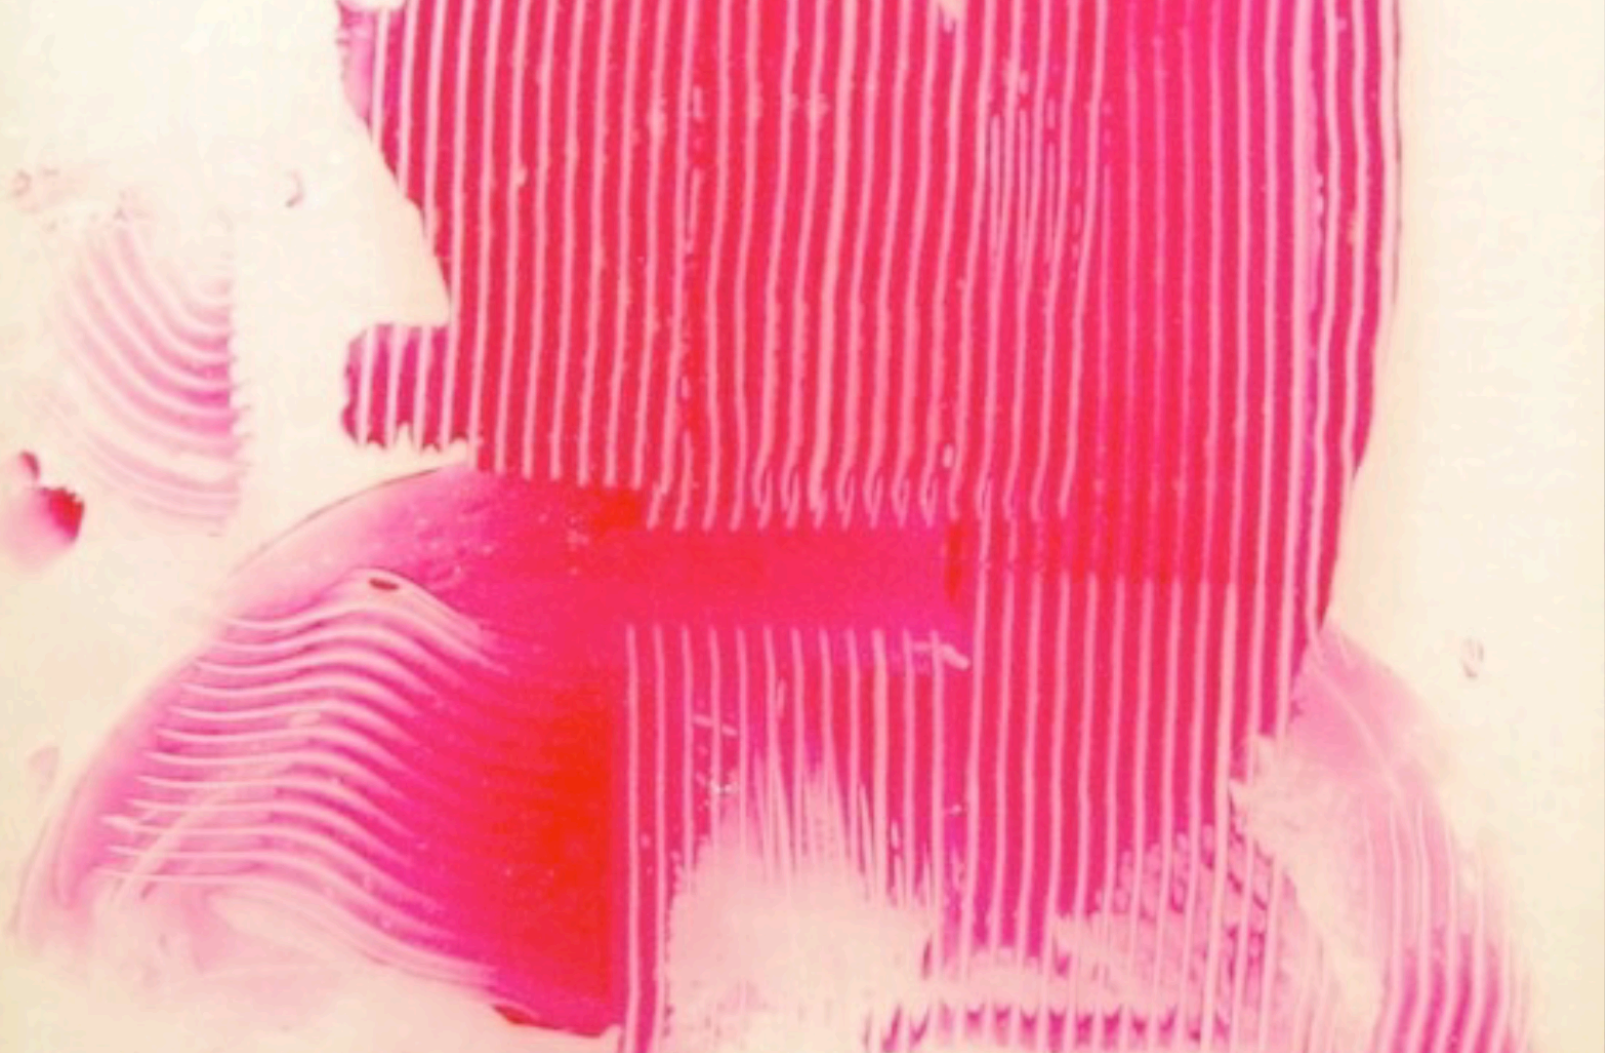

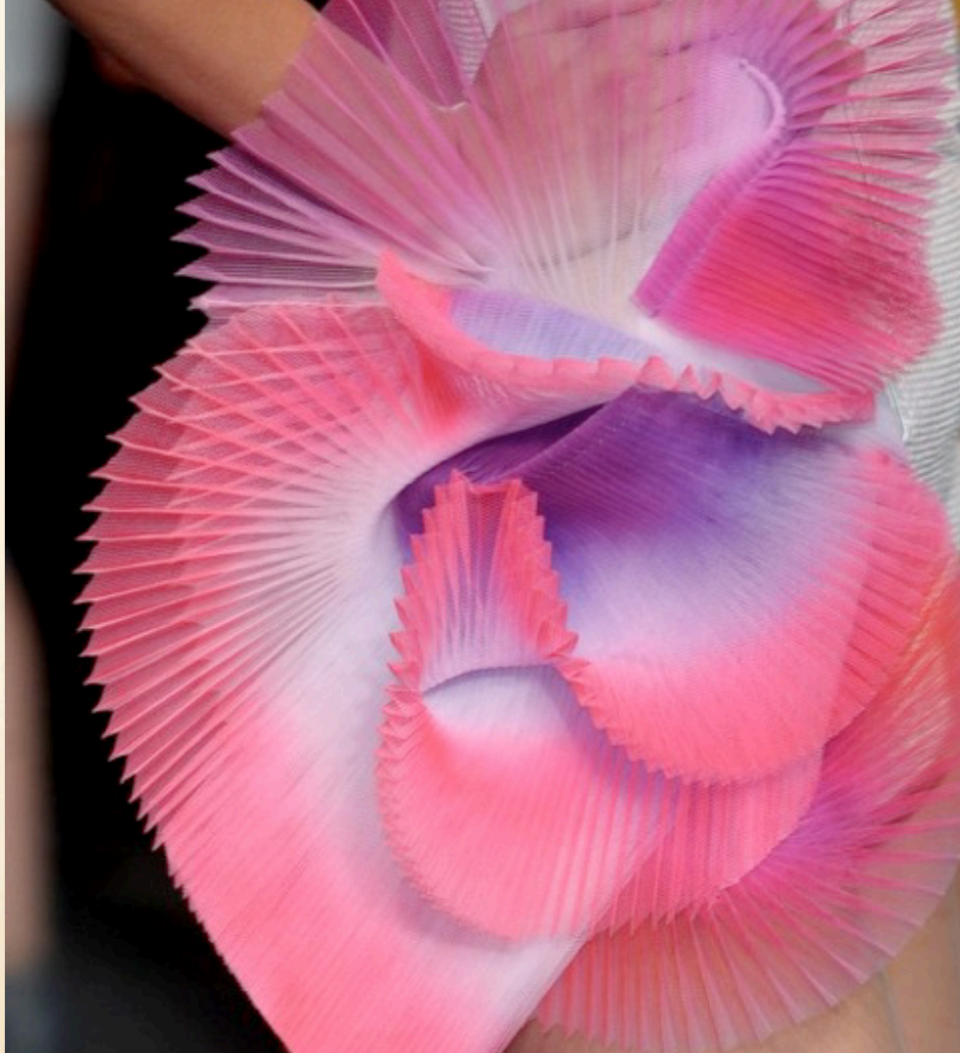

Its all about interpretation…
