Tuesdays 12-2pm - IQ 2nd floor commons area

Research Participation and EMS

- At L5, continue engaging in research studies to obtain EMS credits
- 24 credits required for the year
- Links to assessment on RM II module (as RM1 module previously)
- Obtaining all credits - 48 over two years, grants access to use EMS for final year project to advertise study
- If you did not obtain 24 credits from last year, you can make up the shortfall this year

Research Participation and EMS

- As L5 students, you already have active EMS profiles
- If you have forgotten your login info, or your login no longer works, or you are a direct entry student, email Psychlabs@uwtsd.ac.uk
- You are **advised** to watch the EMS and Lab Induction videos on your **Programme** Moodle Homepage in the Experiment Management System (EMS) tile to refresh yourselves for the academic year

Placement

All students **MUST** attend mandatory placement briefing prior to commencing placement hours

Anyone not previously attended placement briefing **MUST** attend this afternoon:

**Wednesday
24th Sep 2pm
in IQ 002**

All students **MUST** have Placement Information form signed by Stacey prior to commencing at placement

British Psychological Society (BPS)

Student Membership

Provides access to Psychologist magazine, Research Digest, ability to attend events, get reduced prices for conferences, etc.

All enrolled students will automatically be signed-up as BPS student members.

Department will pay for you.

If you do NOT wish to become a BPS student member, email paul.hutchings@uwtsd.ac.uk before end of Induction Week.
