

ECGE6001Q – Using the STAR technique

Name: _____ Student Number: _____

Using the stages of the STAR technique draft a response to the following question;

Could you give us an example of how you have contributed to a team or group activity?

Situation
A group task in Skills for Life module
Small group
Conflict resolution
Perhaps not much <u>exploration</u> of group work on the course
Build upon employability skills developed during the degree course
Task
90-minute task to produce a PPT to critically analyse....
10-minute PPT
Present to lecturer and other group
Activity
What activity was involved? What was needed?
How did you go about conducting the activity?
Responsibilities?
Interactions?
Opinions?
Decisions made?
Producing the slides?

Commented [JM1]: Initial thoughts about the group task? What skills would be involved? How have these been developed whilst on the course? Include some references related to skills and their importance to group work/tasks e.g. making your contribution count, taking responsibility for your work...

Commented [JM2]: Experience of working in a group? What would be important?

Commented [JM3]: Comment about how you have developed critical analysis skills whilst on the course. Include references relating to the importance of being able to do this.

Commented [JM4]: What role/responsibilities did you take on? What opportunities to show your employability skills did this give you? Reference where applicable.

Commented [JM5]: How do you think you performed to support others, as well as do your job well? References where applicable.

ECGE6001Q – Using the STAR technique

Result
What was the result for the time allowed? What was on the slides? Reaction from audience?

Commented [JM6]: E.g, time management?
Reference.
