

Psychology Research Bootcamp

Saturday 9th/Sunday 10th June 2018

Swansea

We are pleased to announce our first ever research summer bootcamp weekend for undergraduate Psychology students at UWTSD.

The workshops will offer a range of interactive confidence building activities and workshops that will focus around developing your research skills and understanding.

The sessions will run from 9.30am until 3.00pm and will include:

Day One:

- ❖ ***What is research and evaluation and why does it matter?***
- ❖ ***Asking questions in research: how, why and when?***
- ❖ ***Understanding different types of research design***
- ❖ ***Research ethics: common dilemmas and ethical frameworks***

Day Two:

- ❖ ***Writing a good research proposal.***
- ❖ ***Choosing measures that fit your study design***
- ❖ ***Knowing your data: Introduction to basic data analysis***
 - ❖ ***Presenting research: writing and presenting research findings for different audiences***

Places are limited so to register your interest please email
